PATNA UNIVERSITY

3rd Cycle NAAC Accredited at 'A' Grade with CGPA 3.58/4
'College with Potential for Excellence' (CPE) status accorded by UGC

Bailey Road, Patna - 800 001, Bihar, India

Our Vision

Rooted in the life, Mission and teachings of Jesus Christ and inspired by Mother Veronica, the Foundress of the Apostolic Carmel, Patna Women's College strives to become a centre of academic excellence in Higher Education, Social responsibility, and Empowerment of Women.

Mission Statement

Patna Women's College, the first College for women in Bihar, is committed to the holistic development of women so as to make an effective contribution to the creation of a better society.

To this end we strive

- To become a centre of excellence in Higher Education for Women in an atmosphere of autonomy.
- To excel in teaching-learning, research and consultancy.
- To provide education that promotes capacity building and holistic development of a person.
- To offer subjects for competency building and motivate/animate a work force imbued with human values.
- To promote patriotism, communal harmony and cultural integration to maintain a free and peaceful atmosphere in the campus.
- To train the students in creative arts, social service, critical thinking, and leadership in order to make an effective contribution to the creation of a new and value based society.
- To create women leaders and to make them agents of social change.
- To develop skill oriented and value based courses, for the all-round development of individuals.
- To promote academic exchange and academia-industry interface.
- To form young women who are 'always wise' and who will dare to 'go ahead and conquer knowledge' through, competence, commitment, delicate conscience and compassion.

Objectives

In the light of the Vision and Mission Statement, we, with our lay collaborators, lead our students to:

- nourish a deep faith in God
- relentlessly search for truth and justice
- foster an ongoing urge to reflect and act in accordance with their convictions
- think creatively and courageously face the challenges of life
- respect other faiths and foster religious harmony
- respect the rights of every individual
- cherish fidelity to their duties and responsibilities
- love their neighbour, irrespective of status, caste and creed, and live in peace and harmony
- set themselves free from socio-economic, religious, caste and gender prejudices and act as catalysts of social change
- protect, preserve and judiciously use the resources of the earth for the welfare of all
- be willing to forgive and forget the wrongs done to them
- be committed to selfless service of the economically, socially, psychologically and spiritually deprived, especially women
- be loyal to their country, prepare themselves to take leadership roles for the good of the country and of the society.

Core Values

- Faith in God
- Honesty /Moral Uprightness
- Love and Forgiveness towards all
- Social Responsibility/Empowerment of the Marginalized
- Respect for Life and Creation
- Pursuit of Excellence
- Promotion of peace, harmony and brotherhood

We encourage our staff to be imbued with this same 'Vision and Mission' in the service of the glorious task of educating the youth of our time.

We urge parents/guardians, who entrust their children to us, to share our 'Vision and Mission' and to cooperate with us in making our students a powerful force for the transformation of society. Keeping all this in mind, the students are trained in the academic subjects by a group of highly committed teachers.

Mother of Carmel,
Bless your children far and near.

The Carmelite Order was founded in honour of the Virgin Mary in 1282. Our Lady of Mount Carmel is Mary who, as a Mother, looks on Carmel and on Carmelites as her own children, eager to reach the summit of Mount Carmel which is Christ. Mary is venerated as the first parent of the Carmelite family.

The Carmelite Fathers were called the First Order of Carmel. Then came the Institution for Carmelite Sisters (the Second Order), who spent their time in contemplative prayer. Being much stricter in their seclusion from the World, they could easily occupy themselves intensely with God. The Apostolic Carmel (A.C.), as a Third Order of our Lady of Mount Carmel was founded to love and serve God through both prayer and service for society.

Bishop B.J. Sullivan S.J.
(1889 – 1970)

OUR FOUNDER

The College was founded in 1940 and is conducted by the Sisters of the Apostolic Carmel, an indigenous Religious Educational Body founded in 1870. Bishop B.J. Sullivan S.J., Patna, a visionary, sought their support to start a College for women in Bihar. Mother Josephine A.C., the then Superior General of the Congregation, responded. Consequently the first College for women was founded in Bihar.

Saint Teresa of Avila
(1515 – 1582)

OUR PATRONESS

Saint Teresa of Avila (Spain), a Carmelite Nun, the Doctor of the Church was one of the noblest ladies of the world. A woman for God and a woman for others, she is the patron saint of Patna Women's College. Her inspirational words are used as the College Anthem.

हे मानव, रुके न कदम बाधाओं से	Let nothing disturb thee;
डरे न मन समस्याओं से, हे मानव।	Let nothing dismay thee;
तुम्हें कुछ भी न घट पाएगा	All things pass,
चिर सुभाग ही मिल जाएगा	God never changes.
तजो माया विनाशकारी	Patience attains
मिले भगवन परम सुखकारी	All that it strives for.
आस्था तेरी परम सत्य है	He who has God
और विश्वास तुझपे अटल है	Finds he lacks nothing.
जान लो जगत ये नश्वर है	God alone suffices.
मात्र ईश्वर ही सदा अचल है

I. CURRICULAR ASPECTS

— Benjamin Franklin

Curriculum forms the foundation of an educational programme and thus its importance for the success of a programme, future prospects of a learner and reputation of an institution is beyond any doubt. Along with the knowledge base depending upon the educational streams, the outcomes of the programmes are equally important.

Curricula for all academic programmes offered by Patna Women's College have been designed on the basis of UGC guidelines keeping in mind its relevance in the current times. The college follows CBCS (Choice Based Credit System) pattern to meet the global, national, regional and local developmental needs of the learners. In addition, exploring the possibilities, wherever required courses involving regional and local topics have been included in the curricula. Along with courses based on concept building, the curricula include project based outreach courses, internships, field and market surveys, discipline specific elective courses, skill oriented courses and dissertations.

The curriculum has been designed in such a way that the output to be achieved by the end of the session is decided in the first place with the commencement of the academic programme. To fulfil these objectives, we have developed our curricula on the guidelines of Outcome Based Education (OBE) including Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs). OBE system provides expanded opportunities for the learners by following a student-centred learning approach. The learning outcomes of the different programmes conducted in the college are well spelled out through the POs, PSOs and COs based on the Revised Blooms Taxonomy; that reflect the developmental needs and relevance of the curricula implemented.

The curriculum designing for every academic programme has integrated issues related to values and ethics. The students of UG, irrespective of their academic stream, study one compulsory course on **Environmental Science** as an Ability Enhancement Course (AECC) in Semester I. They also study a value based Skill Enhancement Course (SEC) on **Inter-religious Studies** in Semester III. The PG students have two compulsory courses namely (i) **Environmental Sustainability and Swachha Bharat Abhiyan** and (ii) **Human Values, Professional Ethics and Gender Sensitization**.

II. TEACHING, LEARNING AND EVALUATION

— Latin Proverb

- (A) The process of teaching and learning interact in a way that learners work for their goals and they learn new knowledge, behaviours, and skills that enhance their learning experiences. The teaching – learning process at Patna Women's College has been always systematic, well-structured, efficient and up to date. It has been a perfect amalgamation of concept building, knowledge enhancement and practical application. For the enhancement of quality and to strengthen the faculty capacity, recruitment of well qualified and competent faculty members has been initiated.

Teachers in every department are promoting ICT enabled teaching-learning with increased usage of LCD Projectors, Smart Boards, Computer Labs, Modern Softwares and e-Contents. Teachers are using ICT enabled teaching - learning tools involving teaching through Power Point Presentations, use of audio-visual techniques, screening of educational videos and films, etc. To combat the pandemic crisis and to promote quality online teaching-learning, the institution has developed its own customized LMS (Learning Management System), PWC-LINK. The online classes, submission and evaluation of assignments, internal tests and various other programmes are successfully and effectively conducted through LMS. The college has adopted Blended Learning for the 26 career oriented Add-on Certificate Courses run by different departments.

The institution has always promoted a healthy and effective teaching learning mechanism. Teaching-learning process in the institution focuses on various student-centric methods. The practice of tutorial classes has been initiated in all the programmes running in the college. The tutorial classes help the learners to be more creative, participatory, practical and confident. In practical classes the students get hands-on training in the concerned subjects.

III. RESEARCH, INNOVATION AND EXTENSION

— Albert Szent Gyorgyi

Research and Development have been given much importance at Patna Women's College, both for the teachers and the students. The college has created an ecosystem for innovation, creation and transfer of knowledge through various centres and cells. An all-out effort to nurture research-oriented talents such as creativity and innovation has been taken by the **Research and Development Cell** instituted by the College in 2005. The Cell acts as the link between the faculty research interests and the funding agencies. The institution has developed its own research policy that has been displayed on the website. As a part of the Research Policy, the college has started to provide **Seed Money** to the teachers for conducting quality research. For the promotion of research pursuits among the faculty members the college has also taken an initiative to sponsor one teacher from each department to participate in out-station National level seminars and conferences once a year. There is ample scope for the UG and PG students to learn and undertake research projects under CPE, BSR and DBT schemes. Under these annual research activities, the students are provided with financial assistance from the college.

08.10.2021: Online Guest Lecture

On the occasion of Wildlife Week, the college organized an online Guest Lecture on 'Conservation of Wildlife in Urban Landscape through Restoration'

Dr. Hussain gave an excellent, elaborate and comprehensive presentation about how a degraded urban land can be restored by conservative strategies. He cited the example of how the barren and degraded land of Delhi Ridge has now totally changed and has been developed as Aravalli Biodiversity Park due to the collective and effective efforts of the Government and the Ecologists. Since 2004 to 2021, major change has taken place in places where conservation activities are taken up. Several Biodiversity Parks and small conservatories have been developed. Community participation, public awareness camps, Nature education camping, Research activities etc. all have helped in developing, restoring and conservation of the Wildlife in Urban Landscape. Ecological restoration is essential because it helps in rehabilitation, remediation, reclamation and restoration of Biodiversity.

V. STUDENT SUPPORT AND PROGRESSION

Patna Women's College has on campus Student Support and Service System with approachable, experienced, trained and committed facilitators. The college has an active Placement Cell that works under the Member Secretary and other members of Career and Placement Committee. The Cell interacts with the various industries and companies to cater to the career requirements of the students. Experts in different fields are invited for special lectures and hands-on training programmes. Interaction between institution and industry is improved through sharing of expertise at common platforms through workshops, seminars and conferences. Students also participate in different symposium, workshops, seminars, conferences. Through these programmes students are empowered to meet the recent market challenges. To enhance the contribution to nation building, we have entered into various levels of collaborations, interactions and linkages.

The College has an active student Council comprising members elected from the final year of students. The council members assist the college management in conducting different co-curricular, extra-curricular and sports activities. The members of the student council have representations in different committees and cells of the college. The college has a registered Alumni Association and its functional chapters at different places. Various developmental programmes and welfare measures are carried out by the alumni for the college and its stakeholders. A Guidance and Counselling cell is operative in the Dept. of Psychology. The professional counsellors provide different types of counselling and guidance services to the students. Mentoring system is carried out in departments under which the assigned teacher provides personalized mentoring to the students in form of academic assistance, psychological support, career development guidance and so on.

Various welfare measures and support mechanisms have been adopted for the students in the college; that includes scholarships, free-ships, remedial classes for the slow learners, health check-up programmes, etc.

(i) Physical Education and Sports

A healthy mind resides in a healthy body is the principle that is followed in the college, and great encouragement is given to sports. The College has facilities for outdoor games like Kho-Kho, Basketball, Badminton, Volleyball, Throwball, Cricket, etc., and also for indoor sports like Carrom, Table Tennis, Chess, etc. The Annual Sports Day is organized on a big scale, with athletic events and colourful drill displays.

While the participants are given a chance to display their talents on the college ground and win recognition and awards, they are also encouraged to take part in district, state and national sports' meets. T.A., D.A. are given when students participate in outstation events.

VI. GOVERNANCE, LEADERSHIP AND MANAGEMENT

Patna Women's College, adhered to its vision statement always strives to impart academic excellence, social responsibility and empowerment to the young women under an able leadership and good governance. The Governing Body is the apex body in the leadership hierarchy, the reverend archbishop being its president and Principal its member secretary. This decision-making body holds annual meetings to review the institutional policies, strategies, budget allocation, implementation of developmental features and future planning for enhancement. The Academic Council of the college has been constituted after the autonomy on the guidelines of UGC. This body is responsible for academic and curricular enhancement and advancement of the institution with the support from the Boards of Studies operational in every department of the college. All these bodies function under the able leadership of the principal. The vision, mission statement and core values of the institution are communicated well to all its stakeholders including the students, staff members, parents and the alumni through the website, college prospectus, handbook, publications, social media and different programmes organized from time to time.

The institution believes in the policy of decentralization and participatory functioning. The Principal is at the highest position as the Chief of Administrative and Executive functions of the college, well supported by a series of office bearers of different orders. The transparency and decentralization in the overall management of the institution was given much importance after the introduction of autonomy.

The IQAC (Internal Quality Assurance Cell) is a vital part of the college system and it works towards realization of the goals of quality enhancement and sustenance in the institution. It strives to channelize all efforts and measures of the college towards promoting holistic academic excellence. IQAC takes up quality initiatives for the incremental improvement of the institution.

VII. INSTITUTIONAL VALUES AND BEST PRACTICES

Under the **Institutional Social Responsibility**, Patna Women's College has a centre for **Social Initiatives** which is a movement from '**Campus to Community**' services. Among the many Best Practices of the college, the '**Campus to Community Services**' are considered as the most unique Best Practice in which all the stakeholders are involved directly or indirectly.

Best Practice No. 1

1. **Title of the Best Practice: PWC-PRAYAS (Promotion of Responsible Action for Youth and Society)**
2. **Objectives and Principles:** Patna Women's College has undertaken **PWC-PRAYAS (Promotion of Responsible Action for Youth and Society)** under **Institutional Social Responsibility (ISR)** through different social outreach programmes and support services especially meant for the marginalized sections of the society. The basic principle of the practice is to provide assistance, remedial classes, financial aid and psychological support to the different categories of marginalized and underprivileged sections of the society and also to the needy students of our college. All the students of Patna Women's College involved in various ISR initiatives have the opportunity to earn a maximum of **4 Non-Academic Credits**.

The chief objectives of PWC-PRAYAS are:

- To inculcate the values of compassion, moral responsibility and social service among the students of the institution
 - To identify the underprivileged groups of the society for reaching out to them
 - To provide financial, moral, educational and psychological support the target groups at regular basis
 - To empower the target groups with skill development and employment opportunities
3. **The Context:** PWC-PRAYAS has taken shape adhering to the objectives of the college that reads 'to be committed to selfless service to the economically, socially, psychologically and spiritually deprived'. The mission statement of the college emphasizes on to train the students in social service and to create women leaders for social change. The practice of social outreach follows the institutional core value of 'Social Responsibility and Empowerment of the Marginalized'.
 4. **The Practice:** Patna Women's College has undertaken its community outreach by the following **ISR** initiatives under the banner of **PWC – PRAYAS (Promotion of Responsible Action for Youth and Society)**:

Inter College Women Association (ICWA): ICWA is an Inter-college initiative for the upliftment of children and women belonging to marginalized sections of our society. ICWA volunteers of the college under the guidance of teachers undertake literacy campaigns and social upliftment programmes in the neighbourhood areas for the slum children and women. At the same time ICWA provides services related to health, sanitation and rehabilitation to the inmates of Women's Remand Home.

Manthan Project: Under this outreach programme, the student volunteers provide remedial teaching to the underprivileged school children at NGO Manthan, Khagaul. The students visit the centre on Saturdays to train the children in their school subjects.

Mother Veronica Development Foundation (MVDF): This scheme supports the economically backward meritorious students of the college through remedial teaching, library facilities, English communication, personality development sessions and skill development training.

Joy of Giving: Every year as a philanthropic effort the **Joy of Giving** Week is observed in the college. The students and staff collect cash and needful items during the week that is distributed among the poor, disaster victims, orphans, destitute women and leprosy patients.

School Mentorship Programme: PWC runs a mentorship programme in the 20 government secondary schools of Patna. Under this programme different departments have been assigned with mentee schools. The students under the guidance of ISR Coordinators provide classroom teaching and support in other co-curricular/ extra-curricular activities.

Platinum Jubilee Scholarships: This special scholarship for continuing the studies was established during the platinum jubilee year of the college in 2015 for the selected students with annual family income less than 1 lakh. Every year 150 students are benefitted by this welfare measure.

Outreach Programmes for marginalized groups: For underprivileged people like rickshaw pullers, house maids, rag pickers and Transgender friends, every year special **Christmas Milan programmes** are organized. Many other welfare measures are undertaken for them from time to time.

Special COVID initiatives: As a special COVID initiative, masks, hygiene items and provisions were distributed to slum dwellers, transgender groups, poor widows and other needy people of the society. During the COVID lockdowns bicycles and sewing machines were donated to selected support staff members of the college. Full fees waive off was done for 11 students who lost their earning members in the family due to pandemic. The members of the Student Council started a special COVID Helpline through social media to disseminate information regarding availability of hospital beds, oxygen cylinders, etc.

Best Practice No. 2

1. **Title of the Best Practice: CARMEL COMMUNITY COLLEGE** – An alternative education system for non-collegiate women.
2. **Objectives and Principles:** Carmel Community College is functioning in the PWC Campus with its sole principle to impart employability-oriented education to those women of our society who are either deprived from the conventional college education or are school/college drop-outs.

The chief objectives of the Carmel community college are:

- To evolve an alternative system of education for the less privileged women
- To focus on livelihood-based and employability centred training
- To enhance competency level, skill development and entrepreneurship skills among the trainees
- To develop strong Industry-Institution linkages for securing employment for the students
- To empower the marginalized women

3. **The Context:** In the light of the vision and mission statement of the institution, the Carmel Community College has been established to promote skill-oriented courses for empowerment of the marginalized women. The education system is contextually meant for facilitating professional skill-based practical training to those young women who are unable to get into conventional academic programmes due to some kind of unfavourable circumstances.
4. **The Practice:** Carmel Community College offers 3 skill-oriented courses namely (i) **Health Care**, (ii) **Beauty Care** and (iii) **Tailoring**. The minimum educational qualification required for undertaking these courses are Higher Secondary/ Matriculation. At the same time the girls/women must have knack in the concerned field of study and an entrepreneurship zeal.

Health Care is a 6-month course containing both theory and practical topics. The course includes fundamentals of nursing, personal hygiene, identification and control of infections, bio-medical waste

management and preventive health care. The students are also trained practically about oral health cares, medications, patient care and handling patients, managing bed sores, preparing beds, and working on common medical care instruments.

Beauty Care is a 3-month course emphasising on the basic skills of a beautician. The course of study includes bridal make-up, hair care and styling, manicure, pedicure, skin care techniques of bleaching and waxing, threading, etc. The students receive both theory as well as practical training and become well trained for working in beauty salons and also for starting their own business.

Tailoring is a 6-month course providing hands-on training in needle work, cut work, stitching, cutting and tailoring. The students learn popular needle work stitches for preparing different craft items. They receive training for cutting and stitching common outfits like blouse, salwar, kurti, frock, petticoat, baby suit, etc. They are trained in working on sewing machines. They learn different types of cut work techniques such as patch work, applique, sequin work and beading.

Entrepreneurship Promotion

The objective of Entrepreneurship Promotion is to inspire and work with aspiring entrepreneurs to shape up business ideas into commercial start-up companies. Under the guidance of diligent and experienced faculty, candidates learn the dynamic process of business development and how to survive in their early stage. In addition, the institution also provides infrastructural support i.e. office space, meeting room to the candidates. At every step, the individuals are mentored and nurtured for their acquiescent business ideas.

Earning while learning: Many of our students earn while they continue their study in the college. The mode of earning includes part-time teaching, giving tuitions, writing for newspapers, freelancing, reporting and anchoring, working at call centres, etc. The break-up of the number of students who earn while they learn is given below.

CONCLUSION

Reading through the pages of this Annual Report, one realises that Patna Women's College is truly rich in tradition. In many respects, especially in the area of PG courses, we are small in size, but rich in spirit, broad in academic challenges, high in expectations, innovative in approach, diverse in opportunities, unparalleled in commitment.

Thanks are due to all the staff and students of Patna Women's College for their active participation in all the curricular and extra-curricular activities. We appreciate their hard work, loyalty and commitment.

Department of

History

The Department of History, established in 1941, has come a long way. It has crossed several milestones in both curricular and co-curricular activities.

The presence of competent and devoted teachers has contributed to the incorporation of the latest teaching-learning methods. They are actively involved in research work, participation in various national and international seminars, presentation of research papers and their subsequent publication. They have also contributed significantly to the preparation of course materials.

Many of its graduates have qualified in UPSC, BPSC, NET, Banking and other National level examinations, bringing laurels to the Department and College.

From time to time, the Department has organized various seminars, conferences, guest lectures and talks, marking the significance of special days, such as, National Youth Day, Independence Day and so on.

Besides, the students of the Department have participated enthusiastically in debates, elocutions, poster making, PP presentations, sports events and dance competitions (Shrawani Dance, Holi Dance) conducted at the Departmental, College and State levels and have won awards.

Most importantly, the Department has been socially responsible, both the teacher and student fronts. From time to time, teachers and the students organized mentoring sessions and counselling sessions and provided economic support to the underprivileged students. The students' visits to Remand Homes have shown their deep concern for the 'not so fortunate' ones of the society. The students too, bearing empathy towards such people, regularly visit after Care Home for Women, Gaighat, Patna to provide educational help to the students of Classes X and XII. They also provide remedial classes for the underprivileged children of various government schools in the Literacy Centre run by the Inter College Women's Association (ICWA) in the Patna Women's College campus.

Both teachers and students have taken initiative to interact with and educate the children of the rag pickers, thus marking the initiation of such a noble project in the College.

Students and Teachers have also adopted a Government Girl's High School, Dak Bunglow for Mentorship and visit the school every Saturday. Another distinct feature of the department is 'Earning while Learning', where many students are working part-time outside their College hours.

Central Research Lab (CRL)

The Central Research Laboratory (CRL) was established in October 2014 with the financial support given by the University Grants Commission (UGC) and the Govt. of Bihar. The idea being that high priced instruments which may not be available to young budding scientists and researchers in individual laboratories could be made available at the Central Research Laboratory. In this connection, the independent laboratory, the CRL of Patna Women's College has the most modern and sophisticated equipments for the UG and PG students and researchers with various needs.

CRL provides consultancy services to various institutions by sample testing. Every year more than 50 samples from IIT Patna, NIT Patna, NIPER Hajipur, Aryabhata Knowledge University Patna are being analysed. CRL also provides facilities for In-house research. More than 15 groups with 45 students come every year for their research under BSR, CPR, DBT scheme. Having a wide range of sophisticated equipments, students of Zoology, Botany, Physics, Chemistry and Microbiology avail the facility. THE COAT OF ARMS

The Coat of Arms represents the nature of the dedication of the Carmelite Sisters to Women's Education. It has (i) a book and a hand, (ii) a cross with a Patli creeper, (iii) a shield, a cross and three stars. The book and the hand in the coat of arms are those of Saint Teresa of Avila (Spain), the Patron Saint of Patna Women's College.

The cross is a symbol of hope in times of suffering. The creeper encircling the cross is the Patli creeper, which is of this place, Patliputra. The creeper clinging to the cross tells us that it was with great difficulty that this College was built, that we must not leave unfinished any work because of obstacles and that knowledge gained from books is second hand knowledge. It is experience gained through difficulties that matures a person.

The third symbol (shield, cross, stars) is that of the Carmelite Order to which the Sisters of this College belong. The shield like mountain is Mount Carmel in Palestine over looking the Mediterranean Sea, hence the blue background. Mount Carmel stands for stability and power, the symbol of God's steadfast love. A cross on the summit of the mountain is the distinctive mark of the Carmelites. The two stars on either side of the cross represent the Greek and Latin eras through which the Order has survived. The star in the centre symbolises Mary whose protection the Carmelites seek. Below the symbols is the motto: 'Always Wise' (Latin : Semper Sapientiae)

THE COLLEGE FLAG

The College has flag with a cream background having an exclusive coat of arms of its own in the centre and the name Patna Women's College written below the coat of arms. The cream colour symbolise discipline and simplicity.
