Mother Veronica
(1823 – 1906)

OUR FOUNRESS

Mother Veronica (Miss Sophie Leeves, born on October 1, 1823), Foundress of the Sisters of the Apostolic Carmel, Mangalore, Karnataka, India, was deeply religious and highly intellectual, an English woman attracted by Christ, gave her entire life to God. In 1868 the Apostolic Carmel was established in Bayonne, France, and in 1870, in India. Her mission was to educate and empower the women in India.

Bishop B.J. Sullivan S.J.
(1889 – 1970)

OUR FOUNDER

The College was founded in 1940 and is conducted by the Sisters of the Apostolic Carmel, an indigenous Religious Educational Body founded in 1870. Bishop B.J. Sullivan S.J., Patna, a visionary, sought their support to start a College for women in Bihar. Mother Josephine A.C., the then Superior General of the Congregation, responded. Consequently the first College for women was founded in Bihar.

Saint Teresa of Avila
(1515 – 1582)

OUR PATRONESS

Saint Teresa of Avila (Spain), a Carmelite Nun, the Doctor of the Church was one of the noblest ladies of the world. A woman for God and a woman for others, she is the patron saint of Patna Women's College. Her inspirational words are used as the College Anthem.

हे मानव, रूके न कदम बाधाओं से
डरे न मन समस्याओं से, हे मानव।
तुम्हें कुछ भी न घट पाएगा
चिर सुभाग ही मिल जाएगा
तजो माया विनाशकारी
मिले भगवन परम सुखकारी
आस्था तेरी परम सत्य है
और विश्वास तुझपे अटल है
जान लो जगत ये नश्वर है
मात्र ईश्वर ही सदा अचल है

Let nothing disturb thee;
Let nothing dismay thee;
All things pass,
God never changes.
Patience attains
All that it strives for.
He who has God
Finds he lacks nothing.
God alone suffices.

The Annual Report 2020

PATNA WOMEN'S COLLEGE **AUTONOMOUS** **PATNA UNIVERSITY**

3rd Cycle NAAC Accredited at 'A' Grade with CGPA 3.58/4
'College with Potential for Excellence' (CPE) status accorded by UGC

Bailey Road, Patna - 800 001, Bihar, India

LEADING THROUGH CRISIS DURING COVID 19 PANDEMIC

The journey of Patna Women's College, the first college for women in Bihar began in the **1940**. The year 2020 marks **80 years of the establishment** of this valuable institution of higher learning.

Thousands of motivated and empowered women have passed through the portals of this college and have entered various fields of life, many making a mark in our country and abroad.

Patna Women's College, has been accredited by NAAC with an 'A' grade for three consecutive cycles and has been accorded '**College with Potential for Excellence**' status by UGC. In 2018, UGC conferred **Autonomous status** to the college. The college holds the credit to be the first one in the state to introduce the Semester System with CBCS for UG programmes.

The college is a **premier institution** with a glorious past not only in the state but also in India. The college is known for its work ethics, the healthy relationship that the students and the teachers enjoy, it's clean and lushgreen campus, spacious classrooms, well equipped labs including audio labs, audio visual rooms, industry ready post graduate programmes, placement and counselling cell, and so many other facilities for students. The college offers courses in foreign languages along with many skill based add on courses like Fashion Designing, Travel and Tourism Management, Office management, Web designing, Applied yoga, Animation, Stress management, Women's studies, Performing Arts etc. There are regular national and international conferences and seminars on time referent themes of social and educational significance. Through its various outreach programmes the college lends a helping hand to the marginalised, including the LGBT community. To be precise the college has excelled in all spheres - education, sports, cultural activities, environment awareness, community service, etc.

With the outbreak of **Novel Coronavirus pandemic** and the subsequent lockdown, the college activities were drastically affected but, Patna Women's College did not cease to work and kept moving relentlessly keeping its mission and vision in mind. Its motto - Always Wise, and Slogan- Go Ahead, Conquer Knowledge helped it march ahead and adapt to the new normal.

The new normal demanded challenging changes; and the college was quick to adopt them. Our conventional classroom lectures were substituted by the online Learning Management System (LMS) with comprehensive features that enable the online classes, attendance records, administration of quizzes and assignments etc. During the lockdown, webinars and web conferences of National and International level became regular features. The various competitions and cultural activities shifted to the virtual platform. The pictures and the videos are evidence enough that the virtual celebrations were as delightful as the regular celebrations we used to have in college.

PRARAMBH, an online career counselling web series was organized by the student council in collaboration with IQAC for providing counselling and guidance to shape their career. The series was streamed live on Zoom and Youtube with more than 5000 views by students from all over the country.

An Online Entrepreneurship Development Programme for students entitled UDAAN - Exploring new horizons: Broadening the Entrepreneurial Mindset, was organised to acquaint students about the various Entrepreneurial opportunities.

In an effort of reaching out to the marginalised, the college encouraged its students to take the internship opportunity put forward by the LGBT community of Bihar during the pride month.

The pandemic has been a journey of stepping out of the box and continuing the foremost important thing – education. The staff members provided more technical support than ever, the student councils' work doubled, the sisters of our college prepared masks for various offices and organizations. To put the long list in short, neither did the celebrations stop nor did the services that our college renders. The driving force of our college – its mission, core values, like faith in God, moral uprightness, love and forgiveness for all, empowerment of the marginalized, respect for life and creation, pursuit of excellence, and promotion of peace, harmony, and brotherhood, kept us on a steady move during the year. What will continue after this pandemic is the hard work that we have always done.

It has been a journey of learning, developing, progressing, and striving towards becoming better every day.

Mother of Carmel,
Bless your children far and near.

The Carmelite Order was founded in honour of the Virgin Mary in 1282. Our Lady of Mount Carmel is Mary who, as a Mother, looks on Carmel and on Carmelites as her own children, eager to reach the summit of Mount Carmel which is Christ. Mary is venerated as the first parent of the Carmelite family.

The Carmelite Fathers were called the First Order of Carmel. Then came the Institution for Carmelite Sisters (the Second Order), who spent their time in contemplative prayer. Being much stricter in their seclusion from the World, they could easily occupy themselves intensely with God. The Apostolic Carmel (A.C.), as a Third Order of our Lady of Mount Carmel was founded to love and serve God through both prayer and service for society.

The Process of Curriculum Development:

Development and Planning: The target groups and their needs are given priority while designing curricula (For example, the consideration whether it is a UG or a PG programme; whether they are from Arts, Science or Commerce background, etc). The objectives of the groups are also given focus. Duration of the programme, hours of teaching, courses (Theory as well as Practicals) offered, assignments, projects or internships if any, mode of assessment are the other concerns that arise at the departmental level.

Planning stage. Apart from the university UG and PG degrees, the college has provisions also for Add-on/Enrichment courses for which it has designed valid curricula. As many as 18 of them are UGC-aided and university-affiliated One-Year Certificate Courses with curricula are prepared by our faculty and approved by the university.

independently. This focus is achieved by providing substantial illustrations in the contemporary context.

- A teaching diary is maintained and feedback is taken from students.
- Different components of the curricula have different objectives and develop different competencies.
- Remedial classes are conducted for weak students.
- The learning experience is enhanced first of all by terminal examinations and performance in these is documented.
- Faculty members participate in national and international workshops, seminars, symposia and also present papers on different topics. This is an endeavour to update teachers on the Latest trends in teaching and their subject matter.

Despite the use of traditional teaching methods in Patna Women's College, the members of the workforce are into innovative and learning centred activities. Several strategies are employed to involve the students in the process of learning, so that they develop a critical attitude and clear comprehension while dealing with their subjects, not only inside the classroom but outside as well. Some of these activities, through which the college strives to achieve learner participation, are seminars, paper presentations, book reviews, projects, discussions, exhibitions, field trips, study tours, surveys, films, etc. Guest lectures, seminars and workshops are organized on issues selected from the curriculum to provide a holistic view to the students of their subjects and channelise their interest in matters existing beyond their books.

V. STUDENT SUPPORT AND PROGRESSION

PWC aims to provide opportunities to its students for a multi-dimensional growth of personality. Consequently, it has a system in place through which the students progress not only in academics but also in the emotional and spiritual quotient. The college has a Student Cabinet which is elected through a secret ballot in which all students of the senior-most batch participate. On **11.01.2020**, 12 students were elected to the College Student Cabinet for the 2020–21 session and they took oath on **21.01.2020**. The Student Cabinet has the responsibility to plan and execute extra-curricular activities under the guidance of the Principal and the Coordinators for college activities. The three teacher coordinators, **Sister Tanisha A.C., Ms. Papita Dey Biswas (Enakshi)** and **Ms. Samiksha**, supervise the cultural events prepared by the students. The Student Cabinet also helps the Principal and the staff in matters of discipline and execution of activities. The student-teacher interaction is very fruitful inside the classrooms and outside too, with regard to curricular, extra-curricular and co-curricular activities of the college.

Information is given to the students periodically about the college rules, library rules, terminal and final examinations. The students have to produce leave applications duly signed by them and by their guardians, if they absent themselves from classes/college. This is checked and signed by the Heads of the Departments concerned.

(i) Guidance and Counselling Unit

The Department of Psychology brings experts in counselling to deliver lectures as part of group counselling and individual counselling. Each teacher in the Psychology Department is a mentor of 8–10 students. They also provide counselling to students of other departments. The Counselling Cell has helped out many of our students who were undergoing stress.

(ii) Placement and Career Counselling Cell

The Placement and Career Counselling Cell of Patna Women's College organizes pre-placement talk and regular campus recruitment for the students of the college. **Dr. Debjani Sarkar Ghose, Dr. Sahar Rahman** and **Mr. Alok John** are the Placement Officers who are in charge of placement activities.

They arrange and conduct extra-curricular programmes throughout the year. The College prepares special functions to mark the important days on the calendar – International Women's Day, Independence Day, Republic Day, World Literacy Day, Human Rights Day, etc. These programmes are in the form of cultural items, human chains, slogan writing, poster making or essay contests and attending talks, seminars and workshops within the college and outside.

VI. GOVERNANCE, LEADERSHIP AND MANAGEMENT

Patna Women's College is the first institution of higher learning to be established to cater to the educational needs of women in Bihar. The mission of the college is to empower young women through their holistic development. The organization and management of the college is guided by this vision and mission. The institution functions through a multi-tier system of organization. This includes:

- The Management – Apostolic Carmel Educational Society
- The Governing Body
- The Principal
- The Staff: Teaching and Non-Teaching
- The Academic and Administrative Departments
- The Student Cabinet
- The Associations, Committees and Cells.

An important body, the **Internal Quality Assurance Cell (IQAC)** has been constituted according to the guidelines given by NAAC. It is a 22 member cell. The IQAC actively plans, monitors and coordinates quality in the multifarious functions of the institution, which includes teaching, learning, research and extension service.

The Governing Body of the college is strictly vigilant and performs a supervisory role in the governance of the institution.

The numerous and varied activities of the college related to administration, teaching, research, co-curricular, extra-curricular and extension are carried out at various levels consisting of the academic and administrative departments, the Student Cabinet and the various committees and cells. The Principal functions at the head as well as the overall coordinator and centre of authority. Meetings of teaching and non-teaching staff are held at regular intervals to ensure smooth functioning. Meetings of the Student Cabinet are also organized regularly to plan and execute the policies regarding discipline, and to organize extra-curricular activities. Specially constituted committees oversee the programme for which they are responsible. Two teacher-coordinators supervise the cultural functions of the college. The Research Committee supervises and regulates student research activities and the PWC Research Journals, and the Annual Report Committee is in charge of the functioning and publication of the Annual Report of the college.

Meetings at the department-level are also held regularly to assess, monitor, plan and execute matters. The Principal interacts with large bodies of students at the General Assembly held periodically.

The support staff is brought within the framework of the organization through a demarcation of duties, and great stress is laid on team work, efficiency and management.

The work efficiency of the teaching staff is developed through seminars and orientation programmes related to teaching, learning and quality enhancement.

VII. INNOVATIONS AND BEST PRACTICES

Keeping in mind the global requirements, PWC introduces and develops programmes which enable students to compete and excel. As we are to send our students out into a world fully connected through information and communication technologies, we keep ourselves open to new and innovative programmes. The institution provides an over-all climate conducive to learning, with an industry-oriented syllabus and competent teachers. The aim is to build a new world order where

● Patna Women's College

there is peace and justice. Certain programmes are conceived keeping in mind the global market needs. The syllabus is framed, regulations are worked out and approved by the management and then by the statutory bodies of the university.

The IQAC conducts a '**Dry run**' to the departments annually to interact, guide and record academic growth. This system propels the college to move forward and scale greater heights of all-round excellence and expansion.

Institutional Support for Faculty Development

The College has taken up various steps to support the faculty and staff members. Faculty Development Programmes are conducted during every academic session in form of workshops, motivational talks and orientations. Financial assistance and duty leaves are provided to the faculty members for participating in national/international / seminars / workshops. The faculty members are always encouraged for completing online orientation/refresher programmes, such as ARPIT and SWAYAM. Awards have been instituted in the fields of academic excellence and research activities. For the quality research work computers, laptops and free Wi-Fi connectivity have been provided.

Institutional Social Responsibility (ISR)

1. **Mother Veronica Development Foundation (MVDF)** : Under the ISR the College has MVDF, a programme that facilitates socially and economically disadvantaged meritorious students. They learn communication skills, life skills, IT skills and personality development through MVDF.
2. **Inter College Women's Association- ICWA** : After Care Home for Women and the Boys of Remand Home are given Vocational Training under the ICWA.
3. **Literacy Project under Inter College Women's Association (ICWA)** : The student volunteers and teachers run several literacy centres where the slum children are provided tuition and remedial teaching.

Every year the first week of October is observed as the 'Joy of Giving Week'. During this period the students and teachers joyfully contribute in form of cash and different types of commodities to be given out to the marginalized sections of our society.
5. **Manthan Project (MP)** : The Staff and students of PWC render their service to tutor the Mahadalit Children at 'Manthan' NGO, Khagaul on various subjects and prepare them for Board exams.
6. **Environment Conservation Outreach (ECO) Task Force** : It is a student Body of the College working for environmental education, protection and security.

Entrepreneurship Promotion

The objective of Entrepreneurship Promotion is to inspire and work with aspiring entrepreneurs to shape up business ideas into commercial start-up companies. Under the guidance of diligent and experienced faculty, candidates learn the dynamic process of business development and how to survive in their early stage. In addition, the institution also provides infrastructural support i.e. office space, meeting room to the candidates. At every step, the individuals are mentored and nurtured for their acquiescent business ideas.

College Anthem

'St Teresa's Bookmark' provides the words for the College anthem:

हे मानव, रूके न कदम बाधाओं से
डरे न मन समस्याओं से, हे मानव ।

1. तुम्हें कुछ भी न घट पाएगा
चिर सुभाग ही मिल जाएगा
तजो माया विनाशकारी
मिले भगवन परम सुखकारी

आस्था तेरी परम सत्य है
और विश्वास तुझपे अटल है, हे मानव ।

2. जान लो जगत ये नश्वर है
मात्र ईश्वर ही सदा अचल है, हे मानव ।

"Charm is deceitful, and beauty is vain, but
a woman who fears the Lord to be praised " (Prov. 31:30)

रूप रंग माया है और सुन्दरता निस्सार है।
प्रभु पर श्रद्धा रखने वाली नारी ही प्रशंसनीय है। (सूक्ति ग्रंथ 31:30)

नारी के पास कल्याण करने की शक्ति का वह बहुमूल्य मोती है जो हीरे जवाहरातों से कहीं अधिक मूल्यवान, जगत के लिए तृष्णा शान्त करने वाले जल तथा दूषित वायु को दूर करनेवाले समीर से भी कहीं अधिक आवश्यक है। कौन जानता है विधि के विधान में नारी का प्रभाव ही वह एक शक्ति हो जो इन संकटमय दिनों में इस विभ्रान्त संसार में पुनः शांति तथा सुरक्षा वापस ले आ सके।

Woman has a power for good which is a pearl of great price, more precious than rubies or diamonds, more necessary to the world than the water that quenches thirst or the wind that blows away tainted air. Who knows, but that is God's providence, her influence in these critical days may be just the one thing needed to bring back peace and security to the distracted world.

THE COAT OF ARMS

The Coat of Arms represents the nature of the dedication of the Carmelite Sisters to Women's Education. It has (i) a book and a hand, (ii) a cross with a Patli creeper, (iii) a shield, a cross and three stars. The book and the hand in the coat of arms are those of Saint Teresa of Avila (Spain), the Patron Saint of Patna Women's College.

The cross is a symbol of hope in times of suffering. The creeper encircling the cross is the Patli creeper, which is of this place, Patliputra. The creeper clinging to the cross tells us that it was with great difficulty that this College was built, that we must not leave unfinished any work because of obstacles and that knowledge gained from books is second hand knowledge. It is experience gained through difficulties that matures a person.

The third symbol (shield, cross, stars) is that of the Carmelite Order to which the Sisters of this College belong. The shield like mountain is Mount Carmel in Palestine over looking the Mediterranean Sea, hence the blue background. Mount Carmel stands for stability and power, the symbol of God's steadfast love. A cross on the summit of the mountain is the distinctive mark of the Carmelites. The two stars on either side of the cross represent the Greek and Latin eras through which the Order has survived. The star in the centre symbolises Mary whose protection the Carmelites seek. Below the symbols is the motto: 'Always Wise' (Latin : Semper Sapientiae)

THE COLLEGE FLAG

The College has flag with a cream background having an exclusive coat of arms of its own in the centre and the name Patna Women's College written below the coat of arms. The cream colour symbolise discipline and simplicity.
