

The **Annual** *Report* 2025

PATNA WOMEN'S COLLEGE

AUTONOMOUS

A Catholic Minority Institution
PATNA UNIVERSITY

BAILEY ROAD, PATNA 800 001, BIHAR, INDIA

Mother Veronica
(1823 – 1906)

OUR FOUNDRESS

Mother Veronica (Miss Sophie Leeves, born on October 1, 1823), Foundress of the Sisters of the Apostolic Carmel, Mangalore, Karnataka, India, was deeply religious and highly intellectual, an English woman attracted by Christ, gave her entire life to God. In 1868 the Apostolic Carmel was established in Bayonne, France, and in 1870, in India. Her mission was to educate and empower the women in India.

Bishop B.J. Sullivan S.J.
(1889 – 1970)

OUR FOUNDER

The College was founded in 1940 and is conducted by the Sisters of the Apostolic Carmel, an indigenous Religious Educational Body founded in 1870. Bishop B.J. Sullivan S.J., Patna, a visionary, sought their support to start a College for women in Bihar. Mother Josephine A.C., the then Superior General of the Congregation, responded. Consequently the first College for women was founded in Bihar.

Saint Teresa of Avila
(1515 – 1582)

OUR PATRONESS

Saint Teresa of Avila (Spain), a Carmelite Nun, the Doctor of the Church was one of the noblest ladies of the world. A woman for God and a woman for others, she is the patron saint of Patna Women's College. Her inspirational words are used as the College Anthem.

हे मानव, रुके न कदम बाधाओं से
डरे न मन समस्याओं से, हे मानव।
तुम्हें कुछ भी न घट पाएगा
चिर सुभाग ही मिल जाएगा
तजो माया विनाशकारी
मिले भगवन परम सुखकारी
आस्था तेरी परम सत्य है
और विश्वास तुझपे अटल है
जान लो जगत ये नश्वर है
मात्र ईश्वर ही सदा अचल है

Let nothing disturb thee;
Let nothing dismay thee;
All things pass,
God never changes.
Patience attains
All that it strives for.
He who has God
Finds he lacks nothing.
God alone suffices.

The Annual Report 2025

PATNA WOMEN'S COLLEGE
AUTONOMOUS
PATNA UNIVERSITY

4th Cycle NAAC Accredited at 'A++' Grade

Bailey Road, Patna - 800 001, Bihar, India

Our Vision

Rooted in the life, Mission and teachings of Jesus Christ and inspired by Mother Veronica, the Foundress of the Apostolic Carmel, Patna Women's College strives to become a centre of academic excellence in Higher Education, Social responsibility, and Empowerment of Women.

Mission Statement

Patna Women's College, the first College for women in Bihar, is committed to the holistic development of women so as to make an effective contribution to the creation of a better society. To this end we strive

- To become a centre of excellence in Higher Education for Women in an atmosphere of autonomy.
- To excel in teaching-learning, research and consultancy.
- To provide education that promotes capacity building and holistic development of a person.
- To offer subjects for competency building and motivate/animate a work force imbued with human values.
- To promote patriotism, communal harmony and cultural integration to maintain a free and peaceful atmosphere in the campus.
- To train the students in creative arts, social service, critical thinking, and leadership in order to make an effective contribution to the creation of a new and value based society.
- To create women leaders and to make them agents of social change.
- To develop skill oriented and value based courses, for the all-round development of individuals.
- To promote academic exchange and academia-industry interface.
- To form young women who are 'always wise' and who will dare to 'go ahead and conquer knowledge' through, competence, commitment, delicate conscience and compassion.

Objectives

In the light of the Vision and Mission Statement, we, with our lay collaborators, lead our students to:

- nourish a deep faith in God
- relentlessly search for truth and justice
- foster an ongoing urge to reflect and act in accordance with their convictions
- think creatively and courageously face the challenges of life
- respect other faiths and foster religious harmony
- respect the rights of every individual
- cherish fidelity to their duties and responsibilities
- love their neighbour, irrespective of status, caste and creed, and live in peace and harmony
- set themselves free from socio-economic, religious, caste and gender prejudices and act as catalysts of social change
- protect, preserve and judiciously use the resources of the earth for the welfare of all
- be willing to forgive and forget the wrongs done to them
- be committed to selfless service of the economically, socially, psychologically and spiritually deprived, especially women
- be loyal to their country, prepare themselves to take leadership roles for the good of the country and of the society

Core Values

- **Faith in God**
- **Honesty /Moral Uprightness**
- **Love and Forgiveness towards all**
- **Social Responsibility/Empowerment of the Marginalized**
- **Respect for Life and Creation**
- **Pursuit of Excellence**
- **Promotion of peace, harmony and brotherhood**

We encourage our staff to be imbued with this same 'Vision and Mission' in the service of the glorious task of educating the youth of our time.

We urge parents/guardians, who entrust their children to us, to share our 'Vision and Mission' and to cooperate with us in making our students a powerful force for the transformation of society. Keeping all this in mind, the students are trained in the academic subjects by a group of highly committed teachers.

Mother of Carmel,
Bless your children far and near.

The Carmelite Order was founded in honour of the Virgin Mary in 1282. Our Lady of Mount Carmel is Mary who, as a Mother, looks on Carmel and on Carmelites as her own children, eager to reach the summit of Mount Carmel which is Christ. Mary is venerated as the first parent of the Carmelite family.

The Carmelite Fathers were called the First Order of Carmel. Then came the Institution for Carmelite Sisters (the Second Order), who spent their time in contemplative prayer. Being much stricter in their seclusion from the World, they could easily occupy themselves intensely with God. The Apostolic Carmel (A.C.), as a Third Order of our Lady of Mount Carmel was founded to love and serve God through both prayer and service for society.

The College at present (2025-2026) commands a student strength of more than 5000 and a teaching staff strength of 194 and the supporting staff strength of 95.

The results of the College students in the Patna University Examinations of 2025 have been excellent in B.A., B.Sc. and B.Com., B.Ed., P.G., P.G. Diploma and Vocational Courses. The percentage of successful students and the percentage of those securing first class in different streams is a testimony to our outstanding performance in academics.

% of successful students

B.A.	—	98.17%	B.Ed. (2023-25)	—	100%	P.G. Diploma	—	100%
B.Sc.	—	97.22%	Vocationals	—	98.20%	MCA	—	89.18%
B.Com.	—	95.65%	P.G.	—	97.45%			

The record of activities of PWC in 2025 according to the different criteria specified by NAAC.

I. CURRICULAR ASPECTS

"A curriculum is more than a course;
it is a moral and intellectual journey."

– Jerome Bruner

The curriculum forms the core of any educational programme, providing the foundation for academic growth and shaping the career pathways of learners. In alignment with current trends followed by major Indian universities and in accordance with NAAC guidelines, Patna Women's College has implemented **Outcome Based Education (OBE)** across all its academic programmes.

Each curriculum has been thoughtfully developed to address global, national, regional, and local developmental priorities, ensuring that learners gain knowledge and skills relevant to their context. The structured and comprehensive design reflects educational goals, industry expectations, and societal requirements, helping students acquire essential competencies. Additionally, provisions for innovation, experiential learning, and value-based education offer flexibility and enrichment. Notably, all the programmes incorporate Research Projects, Fieldwork, or Internships as integral components of the curriculum.

PWC adopted NEP-2020 based curriculum in 2023 for all UG programmes. In 2025 **two new PG programmes M.A. in History and M.A. in Economics; and one new UG programme B.Sc. in Clinical Nutrition & Dietetics (Hons.)** were introduced.

Academic Activities

	Nos.
National / International Guest Lectures / Talks	36
Student Societies and Club Activities (2024 – 2025)	173
Field visit, Industrial Visit and Extension Activity	16

II. TEACHING–LEARNING AND EVALUATION

“Tell me and I forget. Teach me and
I remember. Involve me and I learn.”

– Benjamin Franklin

Patna Women's College follows student-centric teaching–learning practices supported by a robust and reliable evaluation system. Experiential, participatory and problem-solving approaches are integrated at every stage of learning. ICT-enabled tools and a customized Learning Management System further enhance the teaching learning process. Students' learning levels are assessed through academic evaluations and teacher rating checklists. Remedial classes are organized for slow learners, while advanced learners are encouraged to engage in research presentations, inter-university exchange programmes and various institutional activities. Each department implements a structured Mentoring System, through which students receive support for career planning, academic development and personal concerns.

The Examination Management System incorporates modern IT solutions such as ERP, PWC-LINK LMS and an Automated Question Bank Management System aligned with Advanced Bloom's Taxonomy. In accordance with the college's OBE framework, Course Outcomes are systematically mapped to Programme Outcomes to ensure effective achievement of learning outcomes and graduate attributes.

III. RESEARCH, INNOVATION AND EXTENSION

"The essence of research is in asking new questions."

– Peter Drucker

The institution is dedicated to foster a strong research culture and has developed ample facilities to support high-quality research and innovation. The college offers robust infrastructure and supportive resources that encourage research among both faculty and students. Well-equipped subject-specific laboratories with modern instruments, along with computer labs equipped with academic software, enable the pursuit of quality research. To promote interdisciplinary work and provide access to advanced equipment, the college has established a Central Research Laboratory and a Research Centre. The Central Library further strengthens research activities with its rich collection of books and access to various e-resources.

Research Seed Money is allocated to motivate faculty members for undertaking meaningful and innovative research. To nurture research interest among students, selected candidates are awarded Research Scholarships that support their involvement in research projects, publications and related activities. The institution publishes three peer-reviewed journals annually. The college's extension services are also highly active, with faculty and students regularly participating in community outreach programmes, particularly aimed at supporting marginalized sections of society.

1. RESEARCH SUPERVISOR: Dr. Sahar Rahman, Dept. of English

- Patna Women's College was placed in the Rank Band of 101 – 150 under College category by NIRF 2025.
- Patna Women's College (Autonomous), Patna University has achieved high ranking in the prestigious **INDIA TODAY – MDRA SURVEY. Our college has earned all over India rank 28 in the Arts stream and all over India rank 38 in science stream.** It's our proud privilege to state that in **Eastern Region** our rankings are **1st in Arts and 2nd in Science streams** respectively.
- Best Principal Award was conferred to **Dr. Sister M. Rashmi A.C.** by AIACHE, New Delhi.
- Patna Women's College has been granted associate membership of the Association of Indian Universities (AIU), New Delhi on **07.11.2025.**

EXTENSION: From Campus to Community – Promotion of Responsible Actions for Youth and Society (PRAYAS) – PWC (Institutional Social Responsibility)

The community orientation and extension services at Patna Women's College are taken care by the **ISR** efforts under the banner of **PWC – PRAYAS (Promotion of Responsible Action for Youth and Society)**. Our ISR is wide spread through social outreach programmes, literacy projects and various support services for the marginalized sections of the society.

The mission of the college is to develop not only academic excellence in students but also to inculcate in them social awareness and responsibility towards their society. The college has several outreach programmes through which the students are motivated towards community service, leading to increased social consciousness in them and concern for the underprivileged and also for the environment.

IV. INFRASTRUCTURE AND LEARNING RESOURCES

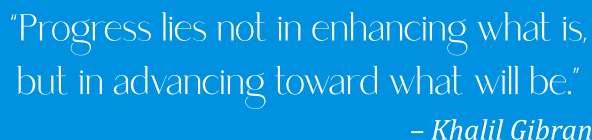

"Infrastructure is the foundation upon which all development depends."
– Barack Obama

Patna Women's College boasts a strong and well-developed infrastructure complemented by state-of-the-art learning resources. The Central Library is fully automated with RFID technology and comprehensive digital facilities. The Audio-Visual Centre, equipped with advanced software for lecture capturing and e-content creation, functions actively along with the college's dedicated YouTube channel, PWC e-content. The customized LMS, PWC-LINK, is efficiently used for online classes, proctored examinations, assignment and project submissions, and dissemination of study materials.

The institution also houses a Business Incubation and Innovation Centre to promote entrepreneurship. The state-of-the-art Veronica Auditorium and the Marie Des Anges Multipurpose Block further enhance the campus infrastructure. The entire campus is enabled with high-bandwidth Wi-Fi and internet connectivity. Additionally, the college provides extensive facilities and resources for sports as well as cultural activities.

V. STUDENT SUPPORT AND PROGRESSION

"Progress lies not in enhancing what is, but in advancing toward what will be."
– Khalil Gibran

Patna Women's College undertakes special initiatives to ensure a strong support system for the holistic growth and advancement of its students. Disha – the Competitive Examination Guidance Cell – offers orientation, training, and mentorship to help students prepare for various competitive exams. Regular career counselling sessions, pre-placement talks, and training programmes are conducted to enhance students' employability. The Anti-Ragging Committee works proactively to prevent and eliminate ragging on campus and to respond promptly whenever required. The institution also has well-established mechanisms for Grievance Redressal and the Prevention of Sexual Harassment. Academic excellence is encouraged through gold medals and merit scholarships awarded to toppers in each subject, along with a range of institutional scholarships that support students in academics, research, and co-/extra-curricular pursuits.

The active Student Council plays a vital role in assisting the administration with co-curricular, extra-curricular, and sports activities. Council members are meaningfully represented in key committees and cells of the college. The alumni network also contributes significantly through both financial and non-financial support.

Co-curricular programmes : Student achievements — International / National / State / District level	25

(i) Physical Education and Sports

A healthy mind resides in a healthy body is the principle that is followed in the college, and great encouragement is given to sports. The College has facilities for outdoor games like Kho-Kho, Basketball, Badminton, Volleyball, Throwball, Cricket, etc., and also for indoor sports like Carrom, Table Tennis, Chess, etc. The Annual Sports Day is organized on a big scale, with athletic events and colourful drill displays.

While the participants are given a chance to display their talents on the college ground and win recognition and awards, they are also encouraged to take part in district, state and national sports' meets. T.A., D.A. are given when students participate in outstation events.

VI. GOVERNANCE, LEADERSHIP AND MANAGEMENT

“Leadership is not about being in charge.
It is about taking care of those in your charge.”
– Simon Sinek

Democratic governance and strong, effective leadership are defining features of the management at Patna Women's College. Guided by its vision, the institution consistently works toward fostering academic excellence, social responsibility and the empowerment of young women through sound leadership and good governance practices. The college prepares, articulates and executes a comprehensive Five-Year Strategic Plan aimed at institutional growth and quality enhancement. This plan focuses on eleven key thrust areas:

1. Academic Excellence
2. Research and Development
3. Infrastructure Development
4. Faculty Development
5. Innovation and Entrepreneurship
6. Collaboration and Consultancy
7. Community Engagement
8. Holistic Development and Empowerment
9. Environmental Conservation and Sustainability
10. Branding and Communication
11. Ethics and Value-Based Education

The Internal Quality Assurance Cell (IQAC) leads various quality-enhancement initiatives to ensure continuous academic and administrative improvement. It regularly conducts Academic and Administrative Audits through external agencies, expert reviews and internal assessments. The college has been participating in the National Institutional Ranking Framework (NIRF) since 2021 and has been placed in the Rank Band 101 – 150 in 2025. It has earned the prestigious ISO 21001:2018 certification in the year 2023.

VII. INSTITUTIONAL VALUES AND BEST PRACTICES

“Values are the root from which institutions draw their strength and direction.”

– A.P.J. Abdul Kalam

The institution clearly reflects its core values and distinct identity through its commitment to social responsibility, environmental awareness and holistic empowerment. Its vision, mission and policy frameworks ensure the promotion of gender equity and women's empowerment through both curricular and co-curricular initiatives, thereby fostering a gender-sensitive campus and community.

Patna Women's College actively works to maintain a clean and green campus by implementing various eco-friendly practices. These green initiatives aim to promote sound environmental habits both within and beyond the campus, contributing to a sustainable and healthy environment. The college is dedicated to creating an inclusive and supportive learning ecosystem where students and staff with disabilities are treated with fairness and dignity. Socio-cultural inclusiveness, peace, harmony, equality and mutual respect are integral to its core values and objectives. The institution also makes continuous efforts to institutionalize the promotion and awareness of constitutional values at all levels.

The college has served as the nodal institution for the Government of India's cultural exchange programme, AKAM–Ek Bharat Shreshtha Bharat. Under the Prime Minister's Special Scholarship Scheme for Jammu & Kashmir, students from the region are admitted to the college. Through PWC–PRAYAS (Promotion of Responsible Action for Youth and Society), the institution carries out its Institutional Social Responsibility (ISR) by organizing outreach initiatives for marginalized communities.

Best Practice No. 1

1. Title of the Best Practice: PWC-PRAYAS (Promotion of Responsible Action for Youth and Society)

2. Objectives of the Practice: Patna Women's College has undertaken **PWC-PRAYAS (Promotion of Responsible Action for Youth and Society)** under **Institutional Social Responsibility (ISR)** through different social outreach programmes and support services especially meant for the marginalized sections of the society. The basic objective of the practice is to provide assistance, remedial classes, financial aid and psychological support to the different categories of marginalized and underprivileged sections of the society and also to the needy students of our college. All the students of Patna Women's College involved in various ISR initiatives have the opportunity to earn a maximum of **4 Non-Academic Credits**.

The chief objectives of PWC-PRAYAS are:

- To inculcate the values of compassion, moral responsibility and social service among the students of the institution
- To identify the underprivileged groups of the society for reaching out to them
- To provide financial, moral, educational and psychological support the target groups at regular basis
- To empower the target groups with skill development and employment opportunities

- 3. The Context:** PWC-PRAYAS has taken shape adhering to the objectives of the college that reads 'to be committed to selfless service to the economically, socially, psychologically and spiritually deprived'. The mission statement of the college emphasizes on to train the students in social service and to create women leaders for social change. The practice of social outreach follows the institutional core value of 'Social Responsibility and Empowerment of the Marginalized'.
- 4. The Practice:** Patna Women's College has undertaken its community outreach by the following ISR initiatives under the banner of **PWC – PRAYAS (Promotion of Responsible Action for Youth and Society)**:

Inter College Women Association (ICWA): ICWA is an Inter-college initiative for the upliftment of children and women belonging to marginalized sections of our society. ICWA volunteers of the college under the guidance of teachers undertake literacy campaigns and social upliftment programmes in the neighbourhood areas for the slum children and women. At the same time ICWA provides services related to health, sanitation and rehabilitation to the inmates of Women's Remand Home.

Manthan Project: Under this outreach programme, the student volunteers provide remedial teaching to the underprivileged school children at NGO Manthan, Khagaul. The students visit the centre on Saturdays to train the children in their school subjects.

Mother Veronica Development Foundation (MVDF): This scheme supports the economically backward meritorious students of the college through remedial teaching, library facilities, English communication, personality development sessions and skill development training.

Joy of Giving: Every year as a philanthropic effort the **Joy of Giving** Week is observed in the college. The students and staff collect cash and needful items during the week that is distributed among the poor, disaster victims, orphans, destitute women and leprosy patients.

School Mentorship Programme: PWC runs a mentorship programme in the 20 government secondary schools of Patna. Under this programme different departments have been assigned with mentee schools. The students under the guidance of ISR Coordinators provide classroom teaching and support in other co-curricular/ extra-curricular activities.

Scholarships: PWC has instituted following scholarship for continuing the studies of the students. Platinum Jubilee Foundation Scholarship, Mother Veronica Development Foundation (MVDF), Freeship, PWC Helping Hand Scholarship, PWC Research Scholarship, PWC Examination Scholarship.

REDS Project (Ragpickers Education & Development Scheme): Under this outreach programme, the student volunteers provide remedial teaching to the children of the ragpickers at Charminade Institution, Digha. The volunteers visit the institution to train the children in their school subjects, conduct sport activities and orient them on sanitation issues.

IT Cell at Garima Grih, Khagaul: An IT Cell has been furnished by the college with computers and other necessities at Garima Grih, a hostel for the transgender community members. The student volunteers visit the aforesaid hostel on Saturdays to conduct IT classes for the transgender friends providing them with the basic IT knowledge.

Outreach Programmes for marginalized groups: For underprivileged people like rickshaw pullers, house maids, rag pickers and Transgender friends, every year special **Christmas Milan programmes** are organized. Many other welfare measures are undertaken for them from time to time.

Asha Kiran Shelter Home, Notre Dame Academy, Patna: The Department of Political Science has collaboration with Asha Kiran under Each One Teach One programme. The students of the Department not only engage classes for the students of Asha Kiran but also celebrate important days like International Women's Day, Independence Day and Deepawali with them.

Best Practice No. 2

- 1. Title of the Best Practice: CARMEL COMMUNITY COLLEGE** – An alternative education system for non-collegiate women
- 2. Objectives and Principles:** Carmel Community College is functioning in the PWC Campus with its sole principle to impart employability-oriented education to those women of our society who are either deprived from the conventional college education or are school/college drop-outs.

The chief objectives of the Carmel community college are:

- To evolve an alternative system of education for the less privileged women
- To focus on livelihood-based and employability centred training
- To enhance competency level, skill development and entrepreneurship skills among the trainees
- To develop strong Industry-Institution linkages for securing employment for the students
- To empower the marginalized women

- 3. The Context:** In the light of the vision and mission statement of the institution, the Carmel Community College has been established to promote skill-oriented courses for empowerment of the marginalized women. The education system is contextually meant for facilitating professional skill-based practical training to those young women who are unable to get into conventional academic programmes due to some kind of unfavourable circumstances.
- 4. The Practice:** Carmel Community College offers 3 skill-oriented courses namely (i) **Health Care**, (ii) **Beauty Care** and (iii) **Tailoring**. The minimum educational qualification required for undertaking these courses are Higher Secondary/ Matriculation. At the same time the girls/women must have knack in the concerned field of study and an entrepreneurship zeal.

Health Care is a 6-month course containing both theory and practical topics. The course includes fundamentals of nursing, personal hygiene, identification and control of infections, bio-medical waste management and preventive health care. The students are also trained practically about oral health cares, medications, patient care and handling patients, managing bed sores, preparing beds, and working on common medical care instruments.

Beauty Care is a 3-month course emphasising on the basic skills of a beautician. The course of study includes bridal make-up, hair care and styling, manicure, pedicure, skin care techniques of bleaching and

waxing, threading, etc. The students receive both theory as well as practical training and become well trained for working in beauty salons and also for starting their own business.

Tailoring is a 6-month course providing hands-on training in needle work, cut work, stitching, cutting and tailoring. The students learn popular needle work stitches for preparing different craft items. They receive training for cutting and stitching common outfits like blouse, salwar, kurti, frock, petticoat, baby suit, etc. They are trained in working on sewing machines. They learn different types of cut work techniques such as patch work, applique, sequin work and beading.

Entrepreneurship Promotion

The objective of Entrepreneurship Promotion is to inspire and work with aspiring entrepreneurs to shape up business ideas into commercial start-up companies. Under the guidance of diligent and experienced faculty, candidates learn the dynamic process of business development and how to survive in their early stage. In addition, the institution also provides infrastructural support i.e. office space, meeting room to the candidates. At every step, the individuals are mentored and nurtured for their acquiescent business ideas.

Earning while learning: Many of our students earn while they continue their study in the college. The mode of earning includes part-time teaching, giving tuitions, writing for newspapers, freelancing, reporting and anchoring, working at call centres, etc. The break-up of the number of students who earn while they learn is given below.

Sl. No.	Department	No. of students earning
1.	English	01
2.	Philosophy	02
3.	Economics	06
4.	Computer Applications (BCA)	13
5.	English Communication and Media (ECM)	02

CONCLUSION

Reading through the pages of this Annual Report, one realises that Patna Women's College is truly rich in tradition. In many respects, especially in the area of PG courses, we are small in size, but rich in spirit, broad in academic challenges, high in expectations, innovative in approach, diverse in opportunities, unparalleled in commitment.

Thanks are due to all the staff and students of Patna Women's College for their active participation in all the curricular and extra-curricular activities. We appreciate their hard work, loyalty and commitment.

(Dr. Sister M. Rashmi A.C.)
Principal

Date : 31.12.2025

DEPARTMENTAL PROFILE 2025

Department of Hindi

Department of Hindi was established in 1941 and the Honours programme started in 1954. The department offers the undergraduate programme in Hindi and a Course in Creative Writing in Hindi under VAC. Various academic and cultural activities are carried out by the department throughout the year like 'Vishwa Hindi Diwas', 'International Matribhasha Diwas' and Jayanti of noted Hindi litterateurs. Students participate in many activities as book exhibition, lokgeet presentation, quiz, debate, poster making, poem recitation, poem writing, skit, speech competition, workshop etc in the college and other institutions as Bihar Sahitya Sammelan, Rajbhasha Vibhag etc.

Alumni Meet, Parent-Teacher Meet and Mentorship Programme are the regular features of the department. Faculty members of the department present and publish research papers in National and International seminars and Journals on regular basis. The department has a rich departmental library with more than 800 books. The students display their creativity by maintaining display boards with contemporary and relevant topics and information.

Every year, students work on research projects under the SRP programme. Many students clear UGC NET/JRF as well as other competitive exams. Alumnae of the department are well settled in prestigious institutions and organisations.

The Literary Club 'Shabdon ka Aaina' is the initiative of the department of Hindi which celebrates Hindi Pakhwada every year from 1st to 14th September and organises interdisciplinary and inter college competitions as well as activities.

Department of English

The Department of English was established in the same year as Patna Women's College. The department offers undergraduate and post-graduate programmes. It also offers six credit based Add-on Courses: three in foreign languages; German, French and Spanish and three in Performing Arts; Dance, Drama and Music.

The department aims at creating a learning environment that is conducive to the development of critical faculty and shaping of socially responsible and committed citizens with human values and ethical practices. The department focuses not only on imparting curriculum-based theoretical knowledge but also on sensitising students towards important issues and subjects so that the acquired learning translates into positive social intervention.

The activities of the department aim at providing learning opportunities and exposure to the students. The regular activities include a poetry writing and recitation competition ('I Write, I Recite'), a Skit contest ('Echoes from Literary Texts'), Research Project and Poster Making. Guest lectures, seminars, and interactive sessions on relevant themes are organised. Movies/documentaries are screened, and film appreciation classes are organised. Teachers of the department provide constant guidance to the students. Each teacher acts as a mentor to a group of students and provides counselling to the students.

Teachers of the department are coordinators of several societies and clubs, such as the Literary Society (Lit Wit), Theatre Society (Dakhal), Debating Society (Tark), Language Club (Lexicon), and Poetry Club (Poesis). These societies and clubs organise programmes throughout the year.

Department of Sanskrit

Department of Sanskrit, one of the oldest departments of Patna Women's College was established in 1940. The department offers the Undergraduate Programme – B.A. (Hons.) in Sanskrit. It provides opportunities for the growth and development of students. The department invites students to explore one of the world's most ancient and profound languages. The department organizes activities like, essay writing, seminar, poetry recitation, skit and play, poster making and debate competition. Students are encouraged to participate in academic, cultural, and research activities such as debates, recitations, skits and plays, seminars, and other competitions. Research projects are also conducted. Alumni Meet, Parent-Teacher Meet, Mentorship Programme and Personality classes are conducted on a regular basis. The department has well-equipped classrooms, a library with classical Sanskrit texts and journals and digital learning resources to strengthen teaching-learning and research activities.

The department is supported by qualified and experienced faculty actively engaged in teaching, research, publications, and academic activities. Research is encouraged through seminars, workshops, and scholarly publications.

In the NEP based syllabus, courses dealing with environmental awareness in Sanskrit literature, Personality development in Indian literature, Theatre and dramaturgy, Acting and script writing, Self-management in Geeta have been introduced. Thus the Department of Sanskrit aims to nurture scholars equipped with deep knowledge, cultural sensitivity, and research skills, contributing meaningfully to academia and society.

Department of Philosophy

The Department of Philosophy, is one of the earliest established departments of Patna Women's College. It was established in 1941 and the Honours Programme started in 1976. The department offers an undergraduate programme in Philosophy Honours. It also offers UGC-recognized, career-oriented Add-on Certificate, Diploma and Advanced Diploma courses in Applied Yoga. The Department is presently headed by Dr. Keerti Choudhary and supported by a team of dedicated teachers. The department aims at the overall development of its students. Besides imparting knowledge of the subject, various curricular, co-curricular and extra-curricular activities are organized in the department like seminars, speech contests, slogan-cum-poster competition, debates, guest lectures, mehndi competition, quiz competitions, value added classes etc. The department conducts Yoga training programmes and workshop for students and staff of the college. It also conducts Inter-Religious Studies under 'Skill Enhancement Course' (Value Based). The department organizes Parent-Teacher Meet and Alumni Meet regularly. It has a rich departmental library with about 600 books. The faculty are engaged in research projects and research activities. The department has organized Online Lectures in collaboration with different colleges, under Academic Exchange Programme. The department has started a Yoga Club for students of various departments. A regular World Philosophy Day workshop is conducted by the department.

Many students score more than 9 CGPA in the final exams. Students of the department have cleared UGC NET Examination in 2025. The students also render community service by creating awareness of important issues related to health, environment, education and economic upliftment. The department celebrates important days like Swami Vivekananda Jayanti, Surya Namaskar Day, Gandhi Jayanti, International Yoga Day, World Philosophy Day, etc. The department has conducted a UGC Sponsored National Seminar and ICPR sponsored periodic lecture series. It aims to conduct more seminars and webinars in future. The department offers various research programmes, value based class, mentoring and internship.

Department of History

Established in 1941, the Department of History has grown into one of the most sought-after departments of the college. At present, it caters to a student strength of nearly six hundred, enrolled across Honours, Minor, and Multidisciplinary programs. Over the years, the department has produced a distinguished body of alumni who have achieved success in competitive examinations such as UPSC, BPSC, NET, Banking, and other national-level tests.

The department is supported by a team of dedicated and highly qualified faculty members. Under the able leadership of the Head of the Department, Dr. Sister Celine Crasta A.C., the department is committed to imparting not only academic knowledge but also experiential and application-oriented learning. Teaching is enriched through the use of maps, subject-specific films, and documentaries, facilitated by modern audio-visual aids. Students are regularly informed about academic and co-curricular activities through departmental display boards.

The department actively encourages student participation in departmental and college-level programs, fostering holistic development. Recognizing the importance of creativity and physical well-being, students are motivated to engage in artistic and sports activities, thereby promoting a multidisciplinary outlook.

Infrastructure facilities include spacious, fully furnished classrooms. In addition to access to the Central Library, students benefit from a well-stocked departmental library comprising 490 purchased books and 480 donated volumes in both English and Hindi. The department is equipped with two laptops for faculty use and one desktop computer with printer for administrative purposes. Discipline and a conducive learning environment are ensured through the installation of CCTV cameras in classrooms.

The department regularly organizes a range of innovative academic and co-curricular activities, such as poster-making competitions, debates, quizzes, seminars, guest lectures, conferences, and elocution programs, aimed at the comprehensive development of students. Initiatives like the Kitab Club and Heritage Club promote reading habits and enhance awareness of cultural heritage. Furthermore, the department undertakes community outreach programs, including educational support for underprivileged children and tutorial classes for secondary-level students under the banner of PRAYAS, reflecting its strong commitment to social responsibility.

Department of Sociology

The Department of Sociology is one of the dynamic departments functioning since 1987. The Intermediate programme in Sociology commenced in 1987, followed by the Undergraduate programme in 1995. At present, the department offers the Undergraduate Programme under the National Education Policy (NEP) 2020 framework. In addition to the core programme, the department also offers an Add-on Certificate Course in Criminology.

The department actively contributes to societal development through a wide range of academic and extension activities. These include student mentoring, organization of seminars, conferences, and workshops, and awareness initiatives such as gender sensitization programmes. The department also conducts essay writing, debate and speech competitions, guest lectures, webinars, and skill enhancement activities through programmes like Pratibha.

The department is dedicated to providing quality teaching and fostering research aptitude among undergraduate students. The academic training equips students to pursue successful careers at both national and international levels in public as well as private sectors. Continuous academic guidance and counselling are ensured through a structured mentoring system, with special attention given to slow learners through remedial teaching. Faculty members are actively engaged in research activities and guide students in projects and dissertations, encouraging paper presentations and research publications.

Department of Economics

Department of Economics strives to impart quality education in Economics and to make students creative and research oriented. The department is headed by Dr. Zareen Fatima. The vision of the department is to encourage and train the new generation of students about the inclusive growth, sustainability and to provide them encouragement for future upliftment.

Various extra-curricular activities like Guest lectures, Seminars, poster making competition etc. are organized from time to time. The department conducts UGC recognized credit -based Career Oriented Add-On Certificate, Diploma and Advanced Diploma courses in Public Relations. The PG Economics Programme has been introduced from the academic year 2025.

This year, hygiene kits were distributed to adolescent girls of the slum area of Adalatganj, Patna in collaboration with the department of Social Works on 25.01.2025. The kits were made by Semester VI students of the department of Economics. The department conducted a guest lecture on the 'Budget 2025'. Semester VI students went for a trip to Rajgir on 9th February 2025. Poster making competition was organized for students of semester I and semester III on demographic issues. A 'Maths Camp' was organized for students of all the three years to help them acquire foundational mathematical skills. Freshers' Day was organized for first year students on 30.07.2025. A virtual workshop was organized for students of semester III and semester V on 'Decoding Personal Finance Management: Smart Money Moves' on 30th July 2025. The Anti ragging week was observed from 12th to 14th of August where students affirmed their commitment to make campus ragging free. As part of academic enrichment and collaborative initiatives, the department of Economics in collaboration with Department of Economics and IQAC, Salesian College (Autonomous) Sonada, Siliguri, organized an online special lecture on the topic "Understanding Gender Mainstreaming: Challenges and Prospects" on the 27th of October 2025. The department is committed to creating a supportive and inclusive learning environment that nurtures the overall well-being of students.

Department of Geography

The Department of Geography was established in the year 1941 with Intermediate teaching. Presently the department is offering UG (Honours) and PG Programmes under semester system based on NEP-2020 curriculum with Choice Based Credit System (CBCS). The teaching-learning process is up to date in the department with well-qualified faculty, regular usage of ICT based teaching aids and modern Learning Management System (LMS). A highly rated department of the college, it is rich in infrastructural resources; such as a departmental library with more than 2500 reference books, a modern computer lab with Remote Sensing and GIS softwares and a well-equipped practical lab. National and International level seminars and workshops are organized at regular basis. The department co-ordinates three inter-disciplinary Ability Enhancement Courses (AEC) on Environmental Science and Disaster Management at UG and PG levels for the entire College. A book based on UG Semester – II AEC syllabus entitled 'Environmental Science' was published in 2025. The students participate in various co-curricular and extra-curricular activities like research presentations, seminars, quiz, poster making, debate, exhibition, study tour, etc. The department runs a Credit based Add-on Vocational Certificate Course on 'Travel and Tourism Management'. Under the departmental outreach programme 'Manthan', the student volunteers impart remedial teaching and developmental activities to underprivileged children at NGO 'Manthan' at Khagaul. The department coordinates the college environment club 'Srishti' and conducts several environment awareness programmes for the students in and outside the campus. The alumni of the department are well placed in various professions; such as civil services, lectureship, school teaching, banking and corporate jobs.

Department of Psychology

Department of Psychology was established in 1966. Presently, it offers B.A. in Psychology with National Education Policy (NEP) 2020, CBCS and M.A. in Applied Psychology. The department has a rich library. Student's Research Projects are carried out every year. 112 psychological tests are available for student's practical learning. Students are provided multiple opportunities for shaping their talents. These activities include poster competition, speech competition, peer learning, seminars, power point presentations and audio-visual presentations, etc.

Regular talks and workshops are organized by the department related to psychological issues, career guidance, etc. Add-on course in Stress Management (Certificate, Diploma and Advanced Diploma) is offered for better career prospects along with on the job training and internships. Mentoring system helps students resolve their personal and educational problems. Parent-Teacher Meet are held regularly. Important days related to mental health and psychological issues are given due importance; students celebrate them with various activities like human chain, exhibition etc. Our students are also encouraged to develop their personality and skills through participating in different college activities.

Teachers keep themselves updated by attending Refresher/Orientations courses and Faculty development programs/ Training programs and short term courses. Apart from this, they are also engaged in attending seminars, workshops, national/ international conferences and publications. They are also invited as Resource Persons to different institutes and organizations.

Guidance and Counselling Cell also offers psychological help to the students and staff of the College. The department is also supervising the Mental Well-being Club – WELLNEST.

Workshop on 'Reiki' on 28.06.2025

Department of Home Science

The Department of Home Science started in 1940 with intermediate-level courses. It grew over time, adding undergraduate program in 1966 and postgraduate program in 1982. Today, it stands as one of the college's oldest departments, offering comprehensive education in Home Science. The program combines practical skills, professional training, and creative thinking to help students succeed in their careers.

The curriculum gives students a solid foundation through diverse subjects. Students gain knowledge in diverse fields like: food outlet management, cooking, poster making, textile crafts, pattern making, drafting, cutting and stitching, and technical laboratory work including textile testing, physiology, dyeing, and printing. They also visit commercial institutions and NGOs for practical exposure. This approach blends theory with practice while teaching entrepreneurial skills. The department has a library with 879 books that support the learning needs of students and teachers.

A self-financed B.Sc. program in Clinical Nutrition and Dietetics commenced this year, which has been performing well. The department also runs an additional course in Clinical Nutrition and Dietetics to promote learning across different disciplines. The departmental club 'Zaika' - The Cookery Club organizes various programs at the college level, promoting culinary creativity and skill development among students.

Our students have consistently performed well, winning gold medals and honors at both undergraduate and postgraduate levels. Our teachers promote innovation and encourage students to start research early in their academic journey.

The department runs a Health Centre where doctors share their knowledge about medicine and healthcare. We regularly organize interactive sessions with experts from different fields to enhance learning for both students and faculty.

The department celebrates important national and international days such as World Breastfeeding Week, World First Aid Day, World Environment Day, National Nutrition Month, National Handloom Day, and World Diabetes Day. To commemorate these important days, various activities are organized by the department like cooking competitions, demonstrations, quizzes, and poster contests to raise awareness, encourage creativity, and build social responsibility among students.

The faculty members of the department focus on continuous professional growth by attending seminars, webinars, workshops, faculty development programs, and refresher courses both nationally and internationally. They also present research papers at conferences and publish articles in renowned peer-reviewed journals.

The Department of Home Science has remained committed to its core mission of nurturing well-rounded professionals equipped to address complex human and environmental challenges through integrated learning and practical expertise.

Department of Chemistry

The Department of Chemistry has a team of sincere and hard-working faculty who have been making every effort to enable the students to acquire skills they require in the present competitive scenario. The department has a well-equipped research laboratory for undergraduate students to help them in their research works and appraise them to handle new equipments.

The performance of students is commendable and bring laurels to the department. It is a matter of pride that many students of the department have been awarded IIT-JAM, CSIR-NET and selected by reputed universities and institutions from India for further studies. The students also participate in co-curricular activities.

The Department also organizes various research and innovative activities for the benefit of its students as well as of other departments of Patna Women's College.

The department organized power point presentation on the topic "The role of education in promoting Gender Sensitization" on 17.07.2025, Poster competitions on 'Restore our forest' was organised on the occasion of Van Mahotsav on 24.07.2025. Another Poster Competition on "Utilization and Recycling of Waste Material" was held on 25.09.2025. Freshers' day was also organized on 28.07.2025. Poetry competition was held on the occasion of Independence Day on 07.08.2025. Poster making competition on the theme Anti-Ragging week on 'Stop ragging' on 13.08.2025. Roshini Project programme, Bihar Government was held as a training programme on "Mahila Cyber Suraksha" on 08.09.2025. Parent-Teacher Meet was held on 07.10.2025.

We are thankful to all the faculty members, support staff and the students of the Department for their commitment and contribution in all activities. Department of Chemistry will continue to strive to excel in teaching and research that would lead to the betterment of society and mankind.

Department of Zoology

The Department of Zoology, Patna Women's College (Autonomous), Patna University, provides holistic and innovative education to both undergraduate and postgraduate students ensuring that students can pursue a full academic trajectory in Zoological Sciences within the same institution. It also has an Add-on course in Vermi-biotechnology. Within the strong institutional framework, the Department of Zoology stands out as a vibrant centre for education in life-sciences. Over the years, the department has nurtured thousands of empowered women who have excelled in various fields, contributing significantly both within the country and abroad. Through its inclusive and dynamic approach to education, the department ensures students to prepare and meet the global challenges.

Adopting student-centric teaching methods, the department integrates ICT-based techniques into its learning resources, creating a progressive and engaging academic environment. Faculty members actively foster intellectual curiosity, encouraging students to participate in events and competitions within and beyond the college premises. They also play a pivotal role in guiding students towards achieving success in career placements by training and mentoring them comprehensively.

A strong emphasis is placed on cultivating research skills among students. Faculty members guide students in undertaking and presenting scientific projects, as well as writing research papers, ensuring active participation in research at both undergraduate and postgraduate levels. The department is deeply committed to women's empowerment and academic development. It creates a supportive environment encouraging women to excel in science and pursue higher studies or careers in Biology, Research, Conservation, Environmental Management and related fields.

The department celebrates days of national and international significance, particularly those related to the environment, biodiversity, and awareness. Activities under **Environment Conservation Outreach (ECO) Task Force** and other initiatives are organized regularly to foster environmental consciousness. Under **PRAYAS scheme**, the students of Government school are mentored by the students of the department.

To complement classroom learning, study tours are conducted frequently, offering students experiential opportunities to explore biodiversity in natural habitats. These experiences enrich their understanding of flora and fauna, enhancing both academic and practical knowledge.

The department also looks after the **Central Research Laboratory (CRL), Vermicomposting Unit, Genetic Nursery and Herbal Garden** in the college premises.

Department of Botany

The Programme Offered by the Department is B.Sc. Honours in Botany, 4 Year Degree Course as per NEP 2020. The Department also offers Add-On Certificate and Diploma courses in Horticulture and Landscape Gardening

Botany Honours is a course of wide application in existing and emergent technologies and offers immense job opportunities for the qualified graduates in the allied fields of agriculture, forestry, environment and pharmaceuticals. In the present programme, B. Sc. in Botany consisting of 8 semesters, the curriculum is based on an upgraded CBCS syllabus, designed to provide, besides class room and laboratory instructions, computer literacy, skill enhancement and research aptitude. Organizing an International Conference and activities like IPR Awareness programme on Patent drafting and filing, workshop on techniques of tissue culture, and Industrial visit to Sudha Dairy plant are some of the highlights of the department in the academic year 2025.

The Vision: The Department of Botany aspires to be recognized as a strong centre for study and research. The main objective of this course is to prepare our graduates for challenging careers in Botany and its allied fields besides upward mobility for higher study and research.

The Mission:

- To develop healthy attitude amongst students towards work and life.
- To sharpen their scientific aptitude.

Department of Mathematics

The Programme Offered by the Department, B.Sc. Honours in Mathematics, is a four years Degree Course as per NEP 2020. The Department also offers Add-on Certificate Course in Mathematics for Quantitative Aptitude and Verbal Reasoning. The Department of Mathematics aims at the holistic development of its students. There are 115 students enrolled in the Honours programme. We assess their academic standing through Classroom Interactions, chalk-talk methods, and online classes, tutorial classes, value based personality classes, tests and terminal examinations. The Department also lends its services to the Department of Statistics, Physics and Commerce. The Department has a rich library with 884 books and the main library of 1354 books on Mathematics. Students participate in Students Research Project (SRP) and Basic Scientific Research (BSR). All the faculty members actively participate in offline and online Seminars, Conferences, and Faculty Development Programmes. The Department also organizes co-curricular activities like Guest Lecture, Poster Making Competition, Speech Competition, etc. to celebrate Environment day, Seminars, Webinars and Celebrates National Mathematics day. The Department organized Fresher's day for new students. The Department conducted Vigyan-Utsav 2025, Five Day National level Workshop on MATLAB and Scilab 2025. The Department conducted an online workshop on IPR and student development program on 'Industry –The way Forward'. Students from the department participated in Mathematics Training and Talent Search Programme (MTTS) and the Annual Symposium 'Foundation of Mathematics and Spirituality' and various other workshops on 'Mathematical Foundations' for undergraduate students. The Department also conducts classes for those students who are interested in JAM examination with Mathematics as a subject. Many Students of the department have been awarded IIT- JAM and selected by reputed universities and institutions for higher studies in India.

Department of Microbiology (MBIO)

The Department of Microbiology at Patna Women's College was established in July 1994, with a commitment to excellence in education and research. The department offers an undergraduate programme, B.Sc. Honours in Microbiology, a Four-Year Degree Course formulated in accordance with the NEP 2020 guidelines. The syllabus is quite comprehensive and calls for stringent classroom instructions and intensive laboratory work. The students undertake summer training and internship programs to enhance their skills and employability. The Department also offers an Add-On Course in Bioinformatics, designed to enhance students' computational and analytical skills. The department has a well-equipped laboratory with advance instrumentation facilities, supported by experienced and well-qualified faculty members dedicated to quality teaching and research. Through various activities like hands-on training on advanced techniques, workshops, seminars and innovative research, the students strive to contribute valuable insights to the ever-evolving field of Microbiology. After completion of the programme, students can avail job opportunities in various areas like research and academia, healthcare, industry, government and public sector.

Department of Computer Applications (BCA)

The Department of Computer Applications (BCA), established in 1995, is well equipped with a strong infrastructure that includes four modern computer laboratories, advanced technology, and a team of experienced faculty members. The Department regularly organizes a range of co-curricular activities such as guest lectures, webinars, workshops and practical training programs to familiarize students with emerging technologies in the field of computing, including Robotics and Artificial Intelligence. To broaden students' learning opportunities, the Department offers four College-Level Credit-Based Add-on Certificate Courses for students of Patna Women's College: (i) Computer Literacy Programme, (ii) Web Designing, (iii) Financial Accounting (TALLY), and (iv) Robotics and 3D Printing. The Department also emphasizes value-based education and holistic student development through regular mentoring and moral education classes. Students are actively encouraged to engage in social outreach initiatives, including providing IT skill training to transgender individuals and conducting remedial teaching classes and co-curricular activities for underprivileged children in collaboration with the Riseup Community Foundation, a Patna-based NGO. Additionally, under the PWC-PRAYAS scheme, students participate in both curricular and extracurricular activities for senior secondary students at Rajkiya Kanya Uchcha Madhyamik Vidyalaya, Shastrinagar, Patna.

Department of Advertising and Marketing Management (AMM)

The Department of Advertising and Marketing Management, established with the vision of creating holistic, skill-enhanced, and empowered women who are not only prepared to meet the dynamic demands of the industry but also equipped to address the needs of the modern workforce.

The department offers Undergraduate and Postgraduate Diploma programmes in Advertising and Marketing Management, as well as two Add-On courses in Office Management. These programs are designed to ensure that students are market-ready and have a high employability quotient.

In line with the centralized placements of Patna Women's College, our students have secured positions with prestigious companies such as Bajaj, HCL, SBI, AMITY, Mindtree, DNA, and Dainik Jagran, among others. Many graduates also venture into entrepreneurship, vlogging, and the rapidly growing field of social media.

The curriculum is thoughtfully structured, with each semester focusing on different aspects of the advertising and marketing world. Beyond academics, students actively participate in various extracurricular activities and competitions, which further enhances their skill sets.

The department regularly organizes guest lectures featuring eminent resource persons from industry and renowned institutions, offering fresh perspectives on various topics. Industrial visits and online webinars are conducted to provide students with practical insights and a deeper understanding of the requirements to excel in the marketing field.

The department's alumnae are integral to its ongoing success, with many contributing to its betterment through participation in alumni meets and alumni connect programmes.

One of the highlights of the department's annual calendar is the two-day workshop on Selling Skills and Salesmanship. This event, often referred to as the jewel in the crown of our activities, brings together all the key learnings—negotiation skills, public relations, organisational skill, teamwork, selling, and advertising skills—culminating in an immersive practical experience for all involved.

Department of Business Administration (BBA)

The Department of Business Administration was established in the year 2005 with the aim to equip and train students in different management skills. The students after the completion of the course are expected to develop leadership skills, strategic thinking, better communication, self-discipline and time management. The Department also provides industry exposure to students through On-the-Job Training and Industry Visit in Semester V and Semester VI, respectively. Apart from this, the Department is also running an Add-on Course in Human Resource Management.

The Department provides an interactive teaching methodology like case studies, simulation exercises, Group Discussions and Role-Play to actively engage students in the learning process. These methods encourage critical thinking, problem-solving, and decision-making skills by immersing students in realistic business scenarios. The department regularly organizes Stress Management programmes for students.

The department conducts a lecture series every month under the name IMPACT and resource persons of national & international repute are invited to not only endow them with information related to their subjects but also update them with latest and current trends in management. The department also organizes extra-curricular activities like workshops, conferences, PowerPoint presentations and quizzes for an ongoing learning. Efforts are put to coach students in different skills through Mock Interviews and Group Discussions in collaboration with experts from institutes like International School of Business & Media Studies and Pune Institute of Business Management, Kolkata. The department conducts regular workshops with RBI which provides students an opportunity to gain insights into banking and digital literacy as well. We also organize career counselling sessions regularly in order to guide students on career options available to them in their future endeavours.

The departmental magazine LEAP was inaugurated on 18.10.2024, encouraging student's innovation and creativity in writing and thinking skills. It is a milestone in the achievements of the Department. It is published twice a year.

Department of Mass Communication (BMC)

The Department of Mass Communication was established with the goal of giving young media aspirants a place to pursue their ambition. It has grown over time into a fully-fledged department offering a variety of activities designed to give the students the skills necessary to become true media professionals.

The primary focus of the department is on teaching students the fundamentals of media, reporting and editing, print and electronic media, audio visual studies, video production, advertising, public relations, and communication, as well as graphic design, photojournalism, and development communication.

The department of Mass Communication has a modern computer lab that is air-conditioned and well-equipped. The students receive instruction on the fundamentals of online editing, page creation, graphics, and design. To give students practical training, the department also uses its digital camera, FCP (Final Cut Pro), and LCD TV with cable connection. To cater to the needs of the students, the department has a library with 2225 books, important national and regional newspapers, magazines, and periodicals. Regular workshops, guest lectures, and interactive sessions with media professionals are organised by the department.

Additionally, the curriculum included instructional tours, on-site visits, and on-the-job training. Students of Mass Communication participate in a variety of intra- and intercollegiate activities.

The department has its own YouTube news channel, 'PWC NEWS,' which encompasses all college events. The department publishes the student lab magazine 'Headway' and a broadsheet newspaper 'The Voice.' Furthermore, the students create book covers and make brief movies, documentaries, public service announcements, and newscasts.

A one-year Post Graduate Diploma Programme in Journalism and Mass Communication is also offered by the department of Mass Communication.

Department of English Communication and Media (ECM)

Initially funded by the UGC, this uniquely designed programme became self-financed five years after its inception in 1994. ECM is a four-year honours programme. It has been aligned with the National Educational Policy, 2020 mandate. This programme blends proficiency in the English language with essential skills for various media platforms.

Classroom instruction is supported by cutting-edge technology, including a state-of-the-art language lab, an AV studio, and a newly acquired QuarkXpress machine. Recognizing that co-curricular activities are crucial to a well-rounded education, the department incorporates regular features such as media quizzes, word bees, debates, poster-making, and speech delivery into its annual calendar. Students also participate in an Annual Educational Trip to leading media organizations, offering them firsthand exposure to industry operations.

In addition to the core curriculum, the department offers two popular add-on certificate courses: 'English for Career Development' and 'Photography,' which attract a large number of students from diverse disciplines. The department also actively contributes to value-added education, collaborating with other departments to enhance student learning.

To ensure students have ample opportunities for internships and employment after completing the programme, the department maintains strong connections with prominent media outlets, including MSL Group, Perfect Relations, Ogilvy and Mather, Ad factors PR, PRandit, The Tribune, The Hindu, The Indian Express, Dainik Jagran, Hindustan Times, Dainik Bhaskar, E-TV, CNN IBN, Radio Mirchi, Radio City, Doordarshan, and Bihar, among others.

The teaching staff, comprises experienced media professionals that brings a practical, hands-on approach to instruction, bridging the gap between academia and the dynamic media industry.

Department of Fashion Designing

The Department of Fashion Designing, a pillar of professional education since its establishment in 1995, initially offered one-year Postgraduate Diploma in Fashion Designing (PGDFD) course. The department started the four-year B.A. in Fashion Design (BAFD) programme in 2024. It reflects our commitment to growth and comprehensive education. The fundamental aim of the department is to nurture future Fashion leaders and innovators in the Fashion world, ensuring every graduate is equipped with the high professional standards demanded by the current, dynamic fashion industry.

The continuous development has culminated in a modern academic environment. This includes spacious and advanced lab, classrooms with modern equipment, all designed to ensure students achieve mastery in industry-leading skills.

Professional preparation is not just theoretical but it is also built upon intensive in-house training which is greatly complemented by essential external exposure. Students gain critical real-world insights into art, craft, production, and market dynamics through opportunities such as fashion exhibitions, industry visits, academic study tours, and active participation in various design competitions and outdoor activities.

The department also offers a skill development Add-on course in "Textile Ornamentation and Home Fashion (TOHF)", available at Certificate, Diploma, and Advanced Diploma levels. This track helps students from other mainstream programmes to add crucial technical skills. Our commitment to holistic development is further supported by numerous year-round activities like specialized workshops, training programmes, expert lectures, annual fashion exhibition and fashion shows. Many extracurricular events build comprehensive personal capabilities along with professional excellence.

Annual Exhibition 'HUES -2025' on 07.02.2025 and 08.02.2025

Department of Commerce

The Department of Commerce at Patna Women's College, offers B.Com (Hons.) Accounting & Finance and a Career-Oriented (Add-on) Course in Risk & Insurance Management. The department actively organises a variety of programmes to foster holistic development of its students, including Career Counseling Sessions, Guest Lectures, Webinars, Workshops on Decoding Personal Finance Management: Smart Money Moves and Gold Rush: Unveiling the Dynamics of Commodities, Instruments and Derivatives. The department organised three-day online National Workshop on Financial Literacy in collaboration with Little Flower Degree College, Osmania University, Hyderabad. A workshop on Income Tax Return: Filing Procedures and Compliance was organized for the teachers and staff of the college. Three-day Career Fair was organized in collaboration with the Reserve Bank of India, MudrAdi India Pvt. Ltd. and ICSI-The Institute of Company Secretaries of India. For a strong academic foundation and all-round development of the students, many classroom activities and Commerce Lab activities are organised by the department, like Power Point Presentations, Financial Awareness Programmes, Group Discussions, Mock Interviews, Sessions on Soft Skills, Lexicon and Personality Development. The Department of Commerce also organised 'Women Financial Wellness Programme' in collaboration with the National Stock Exchange Academy Limited, for Women Teaching and non-teaching staff of the college, PG Students and research Scholars. Commerce Knowledge Hub - Digital Kiosk in the Commerce Lab provides the students with updated information on academic, research and career avenues.

Additionally, the department has launched a Certificate Course in Stock Market Analysis in collaboration with the National Stock Exchange Academy Limited (NAL) through a signed MoU, providing students an opportunity to gain specialised knowledge and skills in stock markets.

Inauguration of Certificate Course in Stock Market Analysis, in collaboration with National Stock Exchange Academy Limited (MoU Signed between NAL and PWC) – 25.02.2025

Guest Lecture on 'SIP SAHELI: Empowering Women through Financial Knowledge and Confidence' in collaboration with Commerce and Management Club on 06.08.2025

Department of Education

Department of Education (B.Ed.) is one of the rapidly progressing departments of Patna Women's College. It has been constantly working for sustaining and raising its quality and excellence of work. The Department offers value based education to hundred teacher trainees every year and does its best to provide comprehensive educational experiences to them in consonance with its goal and objectives. ICT based teaching-learning is the highlight of the department. Teacher educators as well as the teacher trainees make use of the ICT facilities along with modern teaching technique / strategies to enhance their teaching-learning skills and promote their academic growth. Teacher trainees take an active part in activities such as seminars, debates, quizzes, essay writing, wall magazine contest, awareness programmes on different issues, visit to special homes, alumni meet, and sports meet and so on. To inculcate a sense of social responsiveness among the teacher trainees and foster their professional growth, a number of guest lectures are organised from time to time. The department makes continuous endeavours to help the teacher trainees discover their latent capabilities and grow into courageous and conscientious teachers who would be the future torch bearers of education. It is a leading teacher education institution in our state and boasts of high percentage of placement.

The department has been consciously emphasizing on Gender Sensitization, Women's Health and Environment Awareness issues. In this context, the department organized Programme on Career Counseling, Programme on Reproductive Health, Inter School Elocution.

Department of Master of Computer Applications (MCA)

The MCA programme was started with the goal of preparing students for productive careers in technological research, software industries, banking and other related sectors. This programme is also approved by **All India Council for Technical Educational (AICTE)**. The duration of the programme is 2 years i.e. 4 semesters. The main aim is to make the students competent software professionals to meet the demands of the fast growing IT industry at the national and global level. The programme emphasizes the application of software technology to solve various scientific, commercial, networking and computing problems.

The Department of Computer Applications (MCA) has a virtual classroom-cum-lab with Video Conferencing facility for adding a new dimension in the field of knowledge dissemination. The Department Lab is equipped with more than 100 computers with Wi-Fi connectivity and high speed Internet leased line connection. A rich departmental library having more than thousand books and 100 educational CDs on various computer subjects for reference work and research activities.

Apart from the regular courses, the Department also conducts three credit based add-on certificate courses (College Level) on 3D Animation & Design, Android App Development and Internet of Things (IoT) to meet the professional demand in IT industry. The Learning Management System (PWC-LINK LMS) and Question Bank Management System (PWC QBMS) for automatic generation of question papers according to Bloom's Taxonomy has been developed by the MCA department and are maintained by the Department of Computer Applications (MCA).

Department of Biotechnology

The Department of Biotechnology, established in 2022 under the Faculty of Science, is committed to delivering quality education and fostering the development of competent and skilled biotechnology professionals. The department offers a two-year M.Sc. programme in Biotechnology, designed to provide students with a strong foundation in core theoretical concepts, along with extensive hands-on laboratory training. The curriculum is structured to meet contemporary academic and industry requirements, enabling students to acquire both conceptual clarity and practical proficiency.

The department is supported by well-developed laboratory facilities catering to Microbiology, Biochemistry, Molecular Biology, and Bioinformatics. These laboratories are equipped with advanced instruments such as a UV-spectrophotometer, PCR machine, ELISA Reader, thin-layer chromatography (TLC) units, cooling centrifuge, high-magnification microscope with camera, ultrasonicator, pH meter, orbital shaker incubators, and bacterial incubators, among others. These facilities promote effective experimental learning and research-oriented training.

Research and academic activities focus on emerging interdisciplinary areas including Molecular Biology, Plant Biotechnology, Computational Biology, Environmental Biotechnology, and Nanobiotechnology. To enhance academic exposure, the department regularly organises educational tours, guest lectures, conferences, seminars, and workshops, enabling students to stay updated with recent technological advancements and industry trends. A well-maintained departmental library with updated textbooks, reference materials, and scientific journals further supports learning and research.

The department places strong emphasis on career development and student progression. Several students have secured placements in reputed biotechnology and research-oriented companies through campus support and external opportunities. In addition, students of the department have successfully qualified national-level competitive examinations such as GATE reflecting the academic strength and rigorous training imparted by the department.

Continuous evaluation through projects, assignments, seminars, and presentations ensures holistic development, strengthening analytical, technical, and communication skills. Guided by experienced and dedicated faculty members, the department of Biotechnology strives to nurture industry-ready and research-oriented professionals capable of addressing contemporary scientific and societal challenges.

Department of Social Work

Department of Social Work at Patna Women's College is a progressive academic unit committed to excellence in teaching, research, and community engagement. Established in 2020, the Department is supported by a team of experienced and dedicated faculty members and a well-equipped departmental library. It offers a two-year full-time postgraduate programme in Social Work with specialisations in Family and Child Welfare, Human Resource Management, and Medical and Psychiatric Social Work.

The department actively integrates theory with practice through a range of outreach and extension initiatives. A Social Work Lab has been established to strengthen experiential learning and showcase community-based activities. The Social Work Club, SAMARTH, promotes social responsibility and volunteerism among students, while the Substance Abuse Prevention Cell under the Nasha Mukta Bharat Abhiyan (NMBA) works to raise awareness and foster a drug-free campus culture.

To enhance students' skills, personal development, and career readiness, the Department conducts diverse extension and outreach programmes. It offers an add-on certificate course in Service Learning and places strong emphasis on research through fieldwork, internships, dissertations, and Student Research Projects. The Department also runs the Personal Advancement and Career Enhancement Programme (P.A.C.E.), which includes initiatives such as slum adoption, English proficiency classes, hygiene and cleanliness sessions, career development workshops, and NGO/MNC visits.

In addition, the department regularly organises national and international webinars, conferences, and guest lectures on research methodology, career development, and placement opportunities, thereby preparing students for professional excellence and social leadership.

Department of Data Science and Analytics

Established in July 2024, the Department of Data Science and Analytics has swiftly emerged as a pioneering center of excellence in Bihar. Offering the state's first four-year B.Sc. in Data Science and Analytics, the department equips young women with advanced skills in programming, big data, machine learning, and artificial intelligence, preparing them for diverse professional roles in the digital era.

Students gain hands-on experience with real-world data sets and tools, preparing them for immediate entry into the workforce. The curriculum emphasizes critical thinking, analytical skills, and problem-solving abilities, ensuring students are well-prepared for diverse career opportunities. Graduates of the B.Sc. in Data Science and Analytics programme can pursue a variety of roles, like data scientist, data analyst, machine learning engineer, business intelligence analyst and data engineer.

In 2025, the department distinguished itself through a vibrant array of seminars, workshops, competitions, and industry talks, fostering innovation, interdisciplinary learning, and social responsibility. Students actively engaged in themes of heritage, sustainability, and Vision 2047, while faculty members enriched the academic environment through Faculty Development Programmes, training, and international conference presentations.

With its emphasis on academic rigour, practical exposure, and societal relevance, the department has become a beacon of empowerment and excellence. It continues to nurture graduates who are not only technically proficient but also committed to contributing to the vision of a Viksit Bharat 2047.

Department of Artificial Intelligence and Machine Learning (AIML)

The Department of Artificial Intelligence and Machine Learning was established in the year 2024. The department offers a 4-year B.Sc. Programme in Artificial Intelligence and Machine Learning. This programme aims to provide students with a solid foundation in the principles and techniques of AI and ML, as well as hands-on experience in applying these technologies to real-world problems. The department has well-qualified teaching faculty with research, teaching, and industrial experience. A well-equipped computer AI lab with advanced facilities is established for the benefit of the students. The programme is designed to prepare students for a career in AI and Machine Learning and to master in-demand skills like ML, Deep Learning, NLP, Computer Vision, Reinforcement Learning, Generative AI, Prompt Engineering, and ChatGPT among other AI and ML tools. Students will learn how to develop AI and ML-based applications and algorithms, as well as how to analyze and interpret data using statistical and machine-learning techniques. Through projects and internships, the programme offers practical training in addition to theoretical understanding. Students work on real-world issues and acquire employability-boosting practical skills. Upon completion of the programme, students have a strong foundation in computer science, as well as specialized skills in AI and ML. Graduates of this programme can pursue careers as AI and ML engineers, data analysts, software developers, research scientists, and other related roles in the technology industry.

Central Research Lab (CRL)

The Central Research Laboratory (CRL) of Patna Women's College is a state-of-the-art facility dedicated to fostering research and innovation across various disciplines. Established with a vision to promote scientific inquiry and interdisciplinary studies, the CRL provides advanced equipment and resources for both students and faculty members. It plays a pivotal role in enabling high-quality research in fields like life sciences, chemistry, and environmental studies. The laboratory also encourages collaboration, offering workshops, training programmes, and opportunities for scholarly publications. By nurturing a culture of curiosity and rigorous investigation, the CRL contributes significantly to the academic excellence and research-oriented reputation of Patna Women's College. At present seven research scholars from Patna University and Patliputra University are working in CRL to pursue their research work. Students are also sending their samples for analysis on regular basis.

Demonstrating experiments for the students of UG Programme

Central Library: Patna Women's College

Patna Women's College features an air-conditioned, computerized open access Central Library with large collection of books, journals, magazines and newspapers. Central Library is the heart of the institution which plays a vital role in the development of the students as well as the faculty members. The library also provides access to subscribed and open access resources through the digital library services. The Central Library is fully automated with SOUL 3.0 software and RFID technology.

The Central Library of Patna Women's College has introduced a new **Add-on Vocational Certificate Course** in Library and Information Science from the current academic year, 2025. Central Library also offers Internship for MLIS Students.

Every year the Central Library organises various activities on different themes to make students truly informed, creative and intellectually more competent.

- 1) Central Library Patna Women's College organized **Republic Day Quiz 2025** on 23rd January 2025. Students of various departments participated in the Quiz competition.
- 2) To celebrate **World Book Day** Central Library organized Quiz '**TRIVIA LIBRARY**' Fun Game for teachers on 26th April 2025. The theme was 'World Book Day, Library and Literature'. Teachers of various departments participated in the Quiz competition. Certificates were presented to the winners and participants.
- 3) Central Library celebrated **National Librarian's Day** on 12th August 2025 to commemorate the 133rd birth anniversary of Padmashri Dr. S. R. Ranganathan. The inauguration of **Add-on Vocational Certificate Course in Library and Information Science** was also held and "**BEST LIBRARY USER AWARD**" was presented by the Principal, Dr. Sr. M. Rashmi A.C. on this special occasion.
- 4) Central Library organized **BOOK SCAVENGER HUNT 'DISCOVER YOUR LIBRARY'** on 25th September 2025 for students to celebrate '**International Day for Universal Access to Information**'. Dr. Sister Jincy A.C., Superior of Avila Convent distributed the prizes among the winners.
- 5) To celebrate **National Library Week**, Central Library organized a Quiz Competition on 21st November 2025 for MLIS Internship students. Certificates were distributed by the Principal, Dr. Sister M. Rashmi A.C., and Superior of Avila Convent, Dr. Sister Jincy A.C. to the winners and internship students upon successful completion of their three-month internship program.

Carmel Community College of Patna Women's College

Carmel Community College is providing educational recreational & skill developmental facilities for the deprived women of our society. These facilities are inclusive to benefit society. This is an urgent cry of the women of society in order to live a decent life and earn something for their families without spending much money. The Community College offers **three skill-oriented** courses namely,

1. Health Care
2. Beauty Care
3. Tailoring

These courses are meant for facilitating professional skilled based practical training to those young women who are unable to get into conventional academic programmes due to some kind of unfavorable circumstances.

Carmel Community College offers these courses twice a year –

January, 2025 to May, 2025

Course Name	Health care	Beauty care	Tailoring
Intake	30	30	30
Registered	20	22	25

July, 2025 to December, 2025

Course Name	Health care	Beauty care	Tailoring

पटना तीमेंस कालेज में छात्राओं ने बनाए पतंग

जासं, पटना : पटना वीमेंस कालेज में सोमवार को एलुमनी एसोसिएशन, इको टास्क फोर्स, सृष्टि पर्यावरण क्लब और तरुमित्रा

के सहयोग से जैविक मकर संस्क्रांति का आयोजन किया गया। पतंग बनाने की प्रतियोगिता आयोजित की गई। शुरुआत में पतंगों की प्रदर्शनी लगी। गीतांजलि चौधरी, डा. अमृता और डा. शांजिया हुसैन ने पतंग का मूल्यंकन किया। छात्राओं ने कड़ी मेहनत और कल्पना को कागज पर साकार किया। इस अवसर पर तरुमित्रा की यूएन युवा प्रतिनिधि देवप्रियता दाता भी उपस्थित थीं। इसके बाद कालेज की प्राचार्या डा. सिस्टर एम. राप्पी एस. ने पतंग उड़ाई। उनके साथ अन्य शिक्षक भी थे, जिन्होंने इस फल को और खास बना दिया। कार्यक्रम का समापन सिच्योडी भोज से हुआ। इसमें आईसीडब्ल्यूए के बच्चों के बीच भी स्वादिष्ट भोजन वितरित किया गया। संचालन सृष्टि पर्यावरण क्लब की समन्वयक मोनाक्षी मिश्रा ने किया।

Only 5 univs, 74 colleges get NAAC accreditation

Sheeza Nazami
@timesofindia.com

Patna: Recent economic survey has brought to light a glaring gap in the state's higher education sector. Despite an increase in the number of institutions, quality education remains a challenge.

According to the economic survey tabled by the Bihar govt in the state legislature, of the total 39 universities in 2023-24, only five got the NAAC accreditation. Only one university made it

ECONOMIC SURVEY

to the list of A++ grade, while none was in the category of A+ and A.

Similarly, of the total 1,197 colleges, only 74 were given accreditation by the NAAC, out of which only one college, Patna Women's College, was in the list of the A++ category.

Of the 39 universities, four are central universities, 19 state public universities, six institutes of national importance, one each state open university. Institute

under state legislative act and deemed university, and seven private universities. Apart from the Central University of South Bihar, which was given A++ grade, the other four received B++, B+, B, and C marking.

Similarly, the breakdown of colleges shows that one college each got A++, A+, and A grades, four each were given B++ and B+ marking, a maximum of 32 colleges were given B grades, followed by 37 which were given C marking, and four were given D grades.

Academic advisor, Bihar State Higher Education Council, Nawin Kumar Agrawal, who was made state nodal officer, NAAC in 2023, said the number of educational institutes with NAAC accreditation came down because of the Covid-19 pandemic when many teachers were not coming to the colleges. He said the NAAC accreditation is for five years, and most of the institutes completed their cycle in 2020, 21, or 22, at a time when online classes were mainly going on. He said many institutes could not apply for the new accreditation. He further said making an application is not a one-day exercise; rather, universities and colleges have to do documentation on a daily basis, and once a year, an annual quality assurance report is submitted.

He recalled how in 2016-17, Lalit Narayan Mithila University (LNMU) alone had 34 colleges which were accredited by the NAAC. "But now, we have deputed one person each in the university as well as in colleges for the purpose, and the number of accredited institutions will go up," said Agrawal.

होमस्टे हंगामा... आधुनिक अंदाज में दिखाया प्रभु यीशु का जन्म संदेश

क्रिसमस के जश्न में गीत-नृत्य और खुशियों से गुंजा कॉलेज

सिटी रिपोर्टर • पटना

पटना वीमेंस कॉलेज का ओपन-एयर स्टेज होल शनिवार को क्रिसमस की खुशियों से सजाबोर नजर आया। रंग-बिरंगी सजावट, मधुर संगीत और छात्राओं की उत्साह से भरी भव्यदारी के बीच कॉलेज में क्रिसमस का उत्साहपूर्ण और खट्टागर आयोजन हुआ। इसमें सभी छात्राओं और स्टाफ सदस्यों ने पूरे उत्साह के साथ भाग लिया। कार्यक्रम की शुरुआत प्रार्थना नृत्य से हुई। इसके बाद हिंदी और अंग्रेजी बैलेट गीतों की गुंज से सभागार में क्रिसमस की रौनक और बढ़ गई। उत्सव में खूबसूरत आकर्षण रहा अंग्रेजी और मीडिया विभाग की

छात्राओं का नाटक 'होमस्टे हंगामा' की प्रस्तुति। इसमें ईसा मसीह के जन्म संदेश को आधुनिक अंदाज में प्रस्तुत किया गया। नाटक, गीत, शारङ्ग नृत्य और 'हॉक द हंगलैंड' गीत के सुंदर संयोजन ने दर्शकों को खूब प्रभावित किया। साथ ही झरखंड की जनजातीय संस्कृति पर आधारित ऊर्जावान जनजातीय नृत्य ने कार्यक्रम में रंग और जोश भर दिया। कार्यक्रम में जैसे ही सैंटा क्लॉज ने मंच पर प्रवेश किया, पूरा परिसर तालियों और मुस्कानों से गुंज उठा। सैंटा ने छात्राओं को टीफियां बांटीं जिससे माहौल पूरी तरह से उत्साह से भर गया। कॉलेज की प्राचार्य डॉ. एम रश्मि एस्से ने सभी को क्रिसमस की शुभकामनाएं दीं।

जलसा में हंसी-ठहाकों और फिल्मी गीतों ने लूटी महफिल

आयोजन

जागरण संबद्धता, पटना: एक-दूसरे से मिलने की खुरी, पुरानी दाढ़ी की गमाहट और हंसी-ठिठोली के बीच सेल्फी लेते पूर्ववर्ती छात्राओं का उत्साह। कुछ ऐसा ही दृश्य था पटना वीमेंस कॉलेज के पूर्ववर्ती छात्र सम्मेलन जलसा का। कार्यक्रम की शुरुआत प्रार्थना गीत से हुई। कॉलेज की प्राचार्य डा. सिस्टर एम रश्मि एस्से ने पूर्ववर्ती छात्राओं का स्वागत करते हुए अपने संबोधन में छात्राओं की अकादमिक एवं शैक्षणिक यात्रा को याद किया।

सांस्कृतिक कार्यक्रमों की शुरुआत कॉलेज की शिक्षिकाओं के समूह गान 'हे अपना दिल तो आकाश' से हुई। इसके बाद कॉलेज की पूर्ववर्ती छात्र एसोसिएशन की उपाध्यक्ष डा. अमिता जयसवाल ने बीते वर्ष की गतिविधियों पर आधारित वार्षिक प्रतिवेदन प्रस्तुत किया। इस अवसर पर पूर्ववर्ती छात्र सम्मान से डा. शालिनी, डा. शेफाली राय और अद्विपएस शिला ईरानी को सम्मानित

पटना वीमेंस कॉलेज में आयोजित मिलन समारोह में उपस्थित पूर्ववर्ती छात्राएं • जागरण

पटना वीमेंस कॉलेज के पूर्ववर्ती छात्र सम्मेलन का आयोजन, सांस्कृतिक कार्यक्रम में छात्राओं ने समूह नृत्य प्रस्तुत कर मोहो मन

किया गया। वहीं कॉलेज की प्राचार्य को उनके उत्कृष्ट कार्य के लिए सम्मान प्रदान किया गया। वर्ष 2000 बैच की छात्राओं के 25 वर्ष पूर्ण होने पर उनका भी सम्मान किया गया।

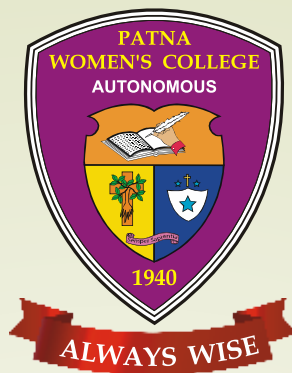

इसके बाद छात्र परिषद की

छात्राओं द्वारा पुराने और नए गीतों पर समूह नृत्य प्रस्तुत किया गया। कॉलेज की पूर्ववर्ती छात्र अंग्रेजी विभाग की 1963-66 बैच व सेवानिवृत्त अधिकारी शशि उबान का वीडियो संदेश भी दिखाया गया। पूर्ववर्ती छात्र पूजा उपाध्याय ने 'फूल फूल प्यार' गीत की प्रस्तुति से खूब तालियां बटोरीं। शिक्षकों ने भी 'जिंदगी एक सफर है सुहाना' सहित अन्य गीतों पर समूह गीत-नृत्य प्रस्तुत किया।

कार्यक्रम के दौरान वार्षिक स्मारिका मेलक का विमोचन सम्मानित अतिथियों व संगठकीय टीम के द्वारा किया गया। इसके बाद ट्रेडो डॉस ने सभी का मन मोह लिया। पूर्ववर्ती छात्राओं के मनोरंजन के लिए विभिन्न खेलों का आयोजन किया गया जिसका सभी ने भरपूर आनंद लिया। मंच संचालन डा. जरीन फातिमा ने किया, जबकि धन्यवाद ज्ञापन योषा सिंह ने प्रस्तुत किया।

पटना वीमेंस कॉलेज का दीक्षा समारोह 24 फरवरी को

पटना : पटना वीमेंस कॉलेज में शैक्षणिक उपलब्धियों के उत्सव के रूप में चौथे दीक्षा समारोह की तैयारी शुरू हो गई है। यह समारोह अगले वर्ष 24 फरवरी को कॉलेज के वेरोनिका आडिटोरियम में किया जाएगा। इस अवसर पर स्नातक सत्र 2022-2025 व बीएड कार्यक्रम सत्र 2023-2025 की छात्राएं औपचारिक रूप से अपनी डिग्री प्राप्त करेंगी। कार्यक्रम को लेकर रूपरेखा तैयार की जा रही है। दीक्षा समारोह में शामिल होने के लिए आवेदन प्रक्रिया कॉलेज ने शुरू कर दी है। आवेदन की अंतिम तिथि 25 जनवरी निर्धारित की गई है। (जासं)

The Coat of Arms

The Coat of Arms represents the nature of the dedication of the Carmelite Sisters to Women's Education. It has (i) a book and a hand, (ii) a cross with a Patli creeper, (iii) a shield, a cross and three stars. The book and the hand in the coat of arms are those of Saint Teresa of Avila (Spain), the Patron Saint of Patna Women's College.

The cross is a symbol of hope in times of suffering. The creeper encircling the cross is the Patli creeper, which is of this place, Patliputra. The creeper clinging to the cross tells us that it was with great difficulty that this College was built, that we must not leave unfinished any work because of obstacles and that knowledge gained from books is second hand knowledge. It is experience gained through difficulties that matures a person.

The third symbol (shield, cross, stars) is that of the Carmelite Order to which the Sisters of this College belong. The shield like mountain is Mount Carmel in Palestine over looking the Mediterranean Sea, hence the blue background. Mount Carmel stands for stability and power, the symbol of God's steadfast love. A cross on the summit of the mountain is the distinctive mark of the Carmelites. The two stars on either side of the cross represent the Greek and Latin eras through which the Order has survived. The star in the centre symbolises Mary whose protection the Carmelites seek. Below the symbols is the motto: 'Always Wise' (Latin : Semper Sapientiae)

The College Flag

The College has flag with a cream background having an exclusive coat of arms of its own in the centre and the name Patna Women's College written below the coat of arms. The cream colour symbolise discipline and simplicity.
