Journey of a Teacher (Transformation)

Teacher	Guru
A teacher takes responsibility for your growth	A Guru makes you responsible for your growth
A teacher gives you things you do not have and require	A Guru takes away things you have and do not require
A teacher answers your questions	A Guru questions your answers
A teacher requires obedience and discipline from the pupil	A Guru requires trust and humility from the pupil
A teacher clothes you and prepares you for the outer journey	A Guru strips you naked and prepares you for the inner journey
A teacher is a guide on the path	A Guru is a pointer to the way
A teacher sends you on the road to success	A Guru sends you on the road to freedom
A teacher explains the world and its nature to you	A Guru explains yourself and your nature to you
A teacher gives you knowledge and boosts your ego	A Guru takes away your knowledge and punctures your ego
A teacher instructs you	A Guru constructs you
A teacher sharpens your mind	A Guru opens your mind
A teacher reaches your mind	A Guru touches your spirit
A teacher instructs you on how to solve problems	A Guru shows you how to resolve issues
A teacher is a systematic thinker	A Guru is a lateral thinker
One can always find a teacher	But a Guru has to find and accept you
A teacher leads you by the hand	A Guru leads you by example
When a teacher finishes with you, you celebrate	When a Guru finishes with you, life celebrates
