A stylized illustration of a person with dark hair in a bun, wearing a blue long-sleeved shirt with yellow and green vertical stripes on the sleeves, green pants with white and yellow stripes, and black boots. They are holding a large white sign with the text "THE CLIMATE IS CHANGING WHY AREN'T WE?" in black and green capital letters. The background is a solid light blue.

"We're not going to prevent ecological and climate collapse through recycling - we need you to be deeply, politically engaged."
