# Welcome to NABSCON 2026

On behalf of the organizing committee of International Conference of Neuro and Biofeedback Society (NABSCON-2026), we are privileged and honoured to cordially invite you all to the upcoming event of Neuro and Biofeedback Society (NABS) scheduled to be held from 29<sup>th</sup> to 31<sup>st</sup> October 2026 in collaboration with Department of Psychology, Patna Women's College (Autonomous), Patna, Bihar, India.

We are honored to host this landmark event, where we will explore the latest advancements and applications of neuro and biofeedback therapies and AI-advances in neuropsychiatric practices. Our focal theme, "AI-Enabled Advances in Clinical Neuropsychology" promises to ignite stimulating discussions and pave the way for future innovations in our field. Over the course of two days, we will have the opportunity to engage with stalwarts, renowned experts, researchers, and practitioners from around the globe. Together, we will share insights, exchange knowledge, and collaborate on strategies to enhance neuropsychiatric care using artificial intelligence and improve patient outcome using indigenous practices in clinical neuropsychology.

*We eagerly look forward to have your active participation and to welcoming you in the conference with your colleagues and research scholars.*

## About NABS

Neuro and Biofeedback Society (NABS) is registered under Societies Registration Act of 1860, Govt. of India. The head office of the society is based at New Delhi and functions PAN India & overseas. It is a pioneering society in India committed to provide training, certification & clinical services in the area of Neuro & Biofeedback Therapy as well as Neuro-Cognitive Plasticity Therapy (NCPT). NABS is the only society in India which provides a platform for the psychologist, researchers, academicians, clinicians, and mental health professionals to work in the field of neuro and biofeedback therapy and promotes a scientific, objective, time-limited and an evidence-based treatment for various neuropsychiatric illnesses.

The International Conference of Neuro and Biofeedback Society (NABSCON) in conjunction with the foundation day of NABS eagerly look forward to have the enriching participation of distinguished resource persons and esteemed delegates to mark the event an exceptional initiative. Our vision is to establish neurofeedback and biofeedback therapy as evidence-based therapeutic modalities both nationally and internationally, and to develop skilled professionals in the field of mental health who practice biofeedback therapy and NCPT. The Neuro and Biofeedback Society passionately contributes for the promotion of mental and well-being of human kind through Neuro and Biofeedback equipment and its application in neuropsychiatric conditions.

The NABS Executive Committee is delighted to extend a warm welcome to all our esteemed resource persons and delegates. We look forward to an event filled with insightful discussions, inspiring presentations, and meaningful exchanges of ideas.

## About Patna Women's College

**PATNA WOMEN'S COLLEGE** is the first institution of higher learning opened to cater to the educational needs of women in Bihar. Bishop B.J. Sullivan S.J., Bishop of Patna (Founder) and Mother M. Josephine A.C. Superior General of the Apostolic Carmel named it Patna Women's College and presented it as a gift to the Women of Bihar, thereby placing at their disposal an opportunity for higher education. The College is run by the Catholic Religious Sisters of the Apostolic Carmel, an indigenous educational body founded in 1870. Thousands of motivated and empowered women have passed through the portals of this college and have entered various fields of life, many making a mark in our country and abroad.

The college has come a long way from the time the pioneers envisioned and undertook the difficult task of establishing a women's college at a time when only a few truly enlightened and far-sighted persons were prepared to support this infant project in a place where higher education for women was frowned upon, if not rejected outright.

In the year 1952, a Special Status was given by the Government of Bihar and it became a 'Constituent College' of Patna University. On 25.07.2007, the Government of Bihar, officially declared Patna Women's College as a 'Religious Minority College'.

In the year 2024, the College has been re-accredited with the highest grade A++ by NAAC in the fourth Cycle of accreditation. The College whose hallmark has always been Quality and Excellence, has been accredited by NAAC with 'A' grade for three consecutive cycles with CGPA 3.51/4 in 2010 and CGPA 3.58/4 in 2015. The college also has been accorded as 'College with Potential for Excellence (CPE)' status from UGC in three phases in 2004, 2010 and 2015. The University Grants Commission (UGC) has conferred Autonomous status to Patna Women's College in January, 2018 which was further notified by the Parent University (Patna University) in July, 2018.

Choice Based Credit System (CBCS) and Semester System have been introduced in July 2018. This is the only college in the state to have taken this initiative for UG courses. The college provides holistic education through UGC approved 26 undergraduate degree programmes in all the major streams of Humanities, Sciences, Commerce & Management, Education, 9 Post Graduate degree programmes and 4 Post Graduate Diploma programmes.

### Department of Psychology, Patna Women's College

Established in 1966, the Department of Psychology at Patna Women's College is dedicated to academic excellence and holistic student development. The Department offers B.A. and M.A. programmes in Applied Psychology along with value-added add-on courses in Stress Management. With a team of qualified and experienced faculty members, the Department emphasizes skill enhancement through hands-on training sessions, workshops, internships, research projects, and educational visits to mental health institutions.

The Department regularly invites psychiatrists, counselors, and other resource persons for lectures and interactive sessions, while also organizing talks on contemporary psychological issues. Through its Mentor System, students receive guidance and support for their academic and personal concerns. Parent-Teacher Meetings are conducted regularly to facilitate students' personality development and overall well-being.

The Department is closely associated with the Guidance and Counselling Centre, where a full-time counselor provides professional support to students from all departments of the College. The Centre helps students address day-to-day challenges and promotes mental well-being. The Department also observes significant global and national events such as World Mental Health Week through presentations, exhibitions, awareness programmes, and outreach activities. Furthermore, faculty members actively participate in Faculty Development Programmes to continually enhance their knowledge and better support student learning and growth.

# NABSCON-2026

## Focal Theme:

## AI-Enabled Advances in Clinical Neuropsychology

### Sub-Themes:

- AI in Neuropsychological Assessment
- AI and Brain-Computer Interfaces (BCIs)
- Integrating AI with Traditional Neuropsychological Models
- Expressive therapies: Music, Dance, Art & Play Therapy
- Self-controlling techniques and Lifestyle Disorders
- AI-Assisted Research in Traditional Healing Modalities
- AI-based Assessments & Therapies
- Virtual reality (VR) and augmented reality (AR) neurotherapies
- AI for Early Detection of Neuropsychiatric Disorders
- Biofeedback & Neurofeedback Therapies
- Clinical guidelines for integrating AI in practice
- Any other related theme with stress management, clinical psychology and mental health

**Submit your abstract on:**

**nabscon@gmail.com**

**Last Date for abstract submission: 15th Aug 2026**

**Last Date for full paper submission: 31st Aug 2026**

### Abstract Guidelines:

The abstract should not exceed 250 words and the content of the abstract must include the following information in chronological manner without headings: background, objectives, method, results, conclusion and three keywords along with Author(s) name and Institutional affiliation in Times New Roman font style, 12 font size & in MS Word Document.

## ORGANIZING COMMITTEE

### Patron
